Dear Ms. Fourt:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 400778.

The Tarrant County District Attorney's Office (the "district attorney") received a request for photographs from a specified autopsy. You claim the requested information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. This section encompasses information protected by other statutes, including section 11 of article 49.25 of the Code of Criminal Procedure, which provides as follows:

> The medical examiner shall keep full and complete records properly indexed, giving the name if known of every person whose death is investigated, the place where the body was found, the date, the cause and manner of death, and shall issue a death certificate. . . . The records are subject to required public disclosure in accordance with Chapter 552, Government Code, except that a photograph or x-ray of a body taken during an autopsy is excepted from required public disclosure in accordance with Chapter 552, Government Code, but is subject to disclosure:

(1) under a subpoena or authority of other law; or

(2) if the photograph or x-ray is of the body of a person who died while in the custody of law enforcement.

Crim. Proc. Code art. 49.25, § 11. You state the submitted information consists of photographs of the deceased taken during an autopsy. Provided that neither of the statutory exceptions to confidentiality is applicable in this instance, we agree that the district attorney must withhold the submitted autopsy photographs under section 552.101 of the Government Code in conjunction with section 11 of article 49.25 of the Code of Criminal Procedure.
