Quarterly Activities/Project Description*		
<p>Due to the budget modification and scope change approval from the United States Department of Justice, Office of Justice Programs, Office of Juvenile Justice and Delinquency Prevention, the OAG was able to purchase equipment, supplies and training during this reporting period that were not included in the initial ARRA grant's scope. The OAG continued to assist in the enforcement of laws and prosecution of criminal offenses involving child pornography and the online solicitation of minors. The OAG also provided investigative and prosecutorial support to other law enforcement entities with whom the OAG has formalized partnerships, and the OAG continued to respond to CyberTipLine referrals. The final amount in the "Total Federal Amount of ARRA Expenditure" field does not equal the amount in the "Award Amount" field because all funds were not utilized prior to the end of the grant period. The OAG will seek reimbursement for any funds obligated for goods and services received prior to the grant award end date.</p> <p>Number of characters entered: 1023</p>
