

IMPORTANT RECALL NOTICE

Fisher-Price, in cooperation with the United States Consumer Product Safety Commission is voluntarily recalling a limited number of Nickelodeon and Sesame Street painted plastic toys produced by one specific contract manufacturer during a narrow timeframe. The recalled products were sold in retail stores nationwide since May 1, 2007. Paint on affected products contains lead in excess of permissible levels. Lead is toxic if ingested and can cause adverse health effects.

Please remove these toys from the hands of children, immediately, and use this guide to determine if they are affected by this recall. Full color images of every product are included on subsequent pages. Use these images as a guide to identify the products you own, then locate the date code on each product and compare with the affected range of date codes. Enter this data on the final two pages of this brochure and return to us, along with any product(s) you have deemed affected.

	<p>Product numbers are raised text: Five digits long OR one letter and four digits long</p> <ul style="list-style-type: none"> ○ Date codes are imprinted or embossed into the plastic ○ This code is six characters long ○ The first three digits are sequential ○ Codes beginning with 109 through 187 followed by 7LF may be affected ○ If your code matches this range and your product is listed below, your product is affected and should be returned ○ If your product is listed below but the date code is not available you should return the product IF you have purchased or received it since May 1, 2007

Fisher-Price Toys Lead Paint Hazard - Recall Returns Form

(Please include these two pages with your return)

- Identify the product you own — using the images on previous pages as your guide.
- Locate the date code on your product. Is it 109 through 187? Is that number followed by 7LF? If so, check the 'Affected Date Code' box in the appropriate line below (page numbers listed to guide you).
- Is the date code not available on your product? Do you think you purchased or received it since May 1, 2007? If so, fill in N/A in the 'Affected Date Code' box in the appropriate line below.
- Input the quantity of affected product you own for each product number you have deemed affected and multiply that by the voucher amount for your country. Fill in Total.
- Add up Page Totals & Grand Total — if your returns match your form, this is the voucher amount you will receive.
- Fill in your contact information below, package ALL affected products into ONE package (follow package size instructions from letter or email) — include these two pages — affix prepaid mailing label to package and take to the post office.
