Mr. John Ohnemiller
First Assistant City Attorney
City of Midland
P.O. Box 1152
Midland, Texas 79702-1152

OR2012-06400

Dear Mr. Ohnemiller:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 456495.

The City of Midland (the "city") received a request for report number 120302046. You state some information has been released. You claim the submitted information is excepted from disclosure under section 552.108 of the Government Code. We have considered the claimed exception and reviewed the submitted information.

Section 552.108(a)(1) of the Government Code excepts from disclosure "[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime . . . if . . . release of the information would interfere with the detection, investigation, or prosecution of crime[.]" Gov't Code § 552.108(a)(1). A governmental body must reasonably explain how release of the information at issue would interfere with the detection, investigation, or prosecution of crime. *See id.* § 552.301(e)(1)(A) (governmental body must provide comments explaining why exceptions raised should apply to information requested); *see also Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977). You state the submitted information pertains to a pending criminal investigation. Based on your representation and our review of the information, we find section 552.108(a)(1) generally applies to the submitted information. *See Houston Chronicle Publ'g Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist.] 1975) (court describes law enforcement interests that are present in active cases), *writ ref'd per curiam*, 536 S.W.2d 559 (Tex. 1976). We note, however, the information you seek to withhold includes a citation and

DIC-24 form provided to the arrestee in this case. You have not explained how releasing this information, which has already been seen by the arrestee, would interfere with the detection, investigation, or prosecution of crime. *See* Gov't Code § 552.108(a)(1). Accordingly, the citation and DIC-24 form, which we have marked, may not be withheld under section 552.108.

In addition, section 552.108 does not except from disclosure "basic information about an arrested person, an arrest, or a crime." *Id.* § 552.108(c). Section 552.108(c) refers to the basic "front-page" information held to be public in *Houston Chronicle*. *See* 531 S.W.2d at 186-88. Basic information must be released, even if it does not literally appear on the front page of the report. *See* Open Records Decision No. 127 (1976) (summarizing types of information deemed public by *Houston Chronicle*). Therefore, with the exception of the citation, DIC-24 form, and basic information, which must be released, the city may withhold the submitted information under section 552.108(a)(1).

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. Sincerely,

Misty Haberer Barham
Assistant Attorney General
