Open Records Decision No. 15

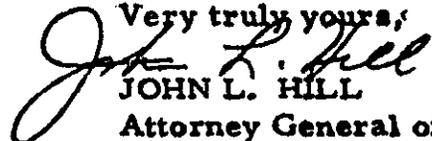

Dear Mr. Gurley:

Your letter indicates that the Borger Independent School District has received a request under the Open Records Act, Article 6252-17a, Vernon's Texas Civil Statutes, that it disclose, as public information, the employment contract of the Superintendent of Schools. Pursuant to § 7(a) of the Act you have requested our decision.

In our opinion, matters of this sort are specifically made disclosable by § 6(a)(3) of the Act. We are unable to find anything in the contract that would bring it within one of the exceptions of § 3(a).

We therefore hold that the contract of employment of the Superintendent of the Borger Independent School District is disclosable under Article 6252-17a, V. T. C. S.

Very truly yours,

  
JOHN L. HILL  
Attorney General of Texas
