Open Records Decision No. 125

Re: Whether contract for  
purchase of land is avail-  
able under the Open Records  
Act.

Dear Mr. Grisham:

You request our decision pursuant to section 7 of the Open Records Act, article 6252-17a, V.T.C.S. You have received a written request for access to a contract to purchase land for a school building. You ask whether the contract is required to be disclosed to the public.

You do not state that you consider the information to be within one of the exceptions stated in section 3 of the Act. You have not brought to our attention nor have we found any law or fact which would make the information confidential or which would bring it within an exception to the Act. See Open Records Decision No. 91 (1975).

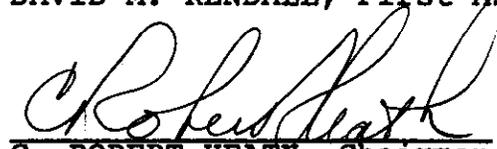

It is our decision that the contract is public information which must be promptly produced for inspection or duplication, or both, in accordance with section 4 of the Act.

Very truly yours,

*John L. Hill*
