Dear Ms. Footer:

You ask whether certain information is subject to required public disclosure under the Texas Open Records Act, article 6252-17a, V.T.C.S. Your request was assigned ID# 7789.

The University of Houston received an open records request for an initial draft copy of the university's policy and procedures manual. We have considered the exception you claimed, specifically section 3(a)(11), and reviewed the documents at issue. Previous determinations of this office, Open Records Decision Nos. 335 (1982) and 295 (1981), copies of which are enclosed, resolve your request. See also Open Records Decision No. 196 (1978). In this instance, you may withhold the requested information in its entirety.

Because case law and prior published open records decisions resolve your request, we are resolving this matter with this informal letter ruling rather than with a published open records decision. If you have questions about this ruling, please refer to OR90-107.

Yours very truly,

A handwritten signature in cursive script that reads "Susan Garrison".
