ATTORNEY GENERAL

Mr. Raymond R. Orozco  
Executive Director  
Public Utility Commission of Texas

OR91-017

Dear Mr. Orozco:

You ask whether certain information is subject to required public disclosure under the Texas Open Records Act, article 6252-17a, V.T.C.S. Your request was assigned ID# 9484.

We have considered the exception you claimed, specifically section 3(a)(10), and have reviewed the documents at issue. A previous determination of this office, Open Records Decision No. 552 (1990), a copy of which is enclosed, resolves your request. As AT&T has asserted a prima facie case that the requested information constitutes its trade secrets, you may withhold the requested information.

Because case law and prior published open records decisions resolve your request, we are resolving this matter with this informal letter ruling rather than with a published open records decision. If you have questions about this ruling, please refer to OR91-017.

Yours very truly,

John Steiner  
Assistant Attorney General  
Opinion Committee
