OR91-175

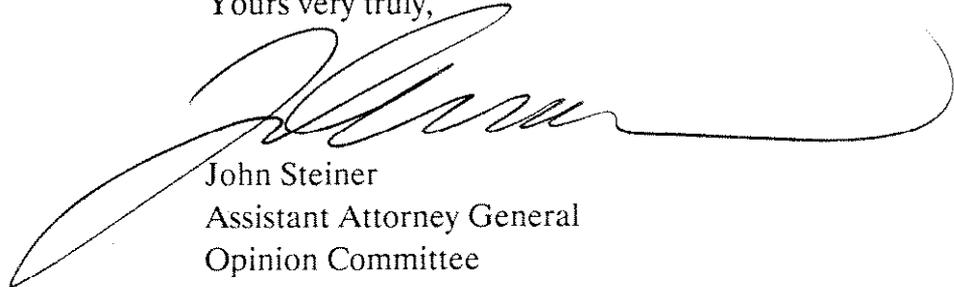

Dear Mr. Gilmore:

You ask a number of questions regarding certain records of the Town of Flower Mound regarding election procedures conducted in preparation for an election that was scheduled for a date not permitted under chapter 41 of the Texas Election Code. Your request was assigned ID# 11775.

You ask a number of general questions regarding the Open Records Act and procedures thereunder, as well as matters outside the scope of the Open Records Act. You do not, however, advise that you have received an actual request for any records. Our authority to make open records decisions under section 7 of the Open Records Act is limited to a situation where an actual request has been received by a governmental body. As your questions are unrelated to an actual open records request, section 402.045 of the Government Code precludes our answering, and we are closing this file.

If you have questions about this ruling, please refer to OR91-175.

Yours very truly,

John Steiner
Assistant Attorney General
Opinion Committee
