Dear Ms. Nye:

You ask whether certain information is subject to required public disclosure under the Texas Open Records Act, chapter 552 of the Government Code (former article 6252-17a, V.T.C.S.¹). Your request was assigned ID# 24804.

You sought an open records decision from this office pursuant to section 552.305 (former section 7(c)) of the act. Consequently, this office notified representatives of AT&T that we received your request for an open records decision regarding a proposal for an Inmate Pay/Coinless Telephone Service. In our letter to AT&T, this office requested an explanation as to why portions of its records were excepted from public disclosure, with the caveat that its failure to provide such an explanation within a reasonable time would result in this office instructing you to disclose the information.

In a responding letter to our office, Mr. Norman H. Rosner, Senior Attorney with AT&T, informed us that AT&T no longer seeks to protect this information from public disclosure (copy enclosed). Therefore, since neither you nor AT&T have contended to this office that the requested information should be withheld, you should release the information.

¹We note that the Seventy-third Legislature repealed article 6252-17a, V.T.C.S. Acts 1993, 73d Leg., ch. 268, § 46. The Open Records Act is now codified in the Government Code at chapter 552. Id. § 1. The codification of the Open Records Act in the Government Code is a nonsubstantive revision. Id. § 47.

If you have any questions regarding this letter, please contact our office.

Yours very truly,

A handwritten signature in cursive script that reads "Rebecca L. Payne".
