Mr. Charles Weir  
Assistant City Attorney

Dear Mr. Weir:

You ask whether certain information is subject to required public disclosure under the Texas Open Records Act, chapter 552 of the Government Code. Your request was assigned ID# 30815.

You sought an open records decision from this office pursuant to section 552.305 (former section 7(c)) of the act. Consequently, this office notified representatives of Printrak International, Inc. that we received your request for an open records decision regarding Printrak's submitted proposal. In our letter to Printrak International Inc., this office requested an explanation as to why portions of its proposal were excepted from public disclosure, with the caveat that its failure to provide such an explanation within a reasonable time would result in this office instructing you to disclose the information.

More than 14 days have elapsed since this office issued the notice, but Printrak International, Inc. has failed to provide this office with any explanation as to why the requested documents should not be released. Consequently, we have no basis for applying any exceptions to required public disclosure to this information. See Open Records Decision No. 552 (1990). Because neither you nor Printrak International, Inc. have contended to this office that the requested information should be withheld, you should release the information at this time. If you have any questions regarding this letter, please contact our office.

Yours very truly,

  
Rebecca L. Payne  
Section Chief  
Open Government Section
