Dear Ms. Elam:

You ask whether certain information is subject to required public disclosure under the Texas Open Records Act, chapter 552 of the Government Code. Your request was assigned ID# 32182.

The City of Burleson (the "city") received an open records request for police records pertaining to a certain allegation of criminal mischief committed by juveniles. This office agrees that the information you have marked in the records you submitted to this office is made confidential by section 51.14(d) of the Family Code. Accordingly, the city must withhold this information. See Open Records Decision No. 181 (1977).

We are resolving this matter with an informal letter ruling rather than with a published open records decision. This ruling is limited to the particular records at issue under the facts presented to us in this request and should not be relied upon as a previous determination under section 552.301 regarding any other records. If you have questions about this ruling, please contact our office.

Yours very truly,

A handwritten signature in cursive script that reads "Loretta R. DeHay".
