Assistant General Counsel

P.O. Box 4087
Austin, Texas 78773-0001

OR96-1208

Dear Mr. Pigott:

You have asked whether certain information is subject to required public disclosure under the Texas Open Records Act, chapter 552 of the Government Code. Your request was assigned ID# 40441.

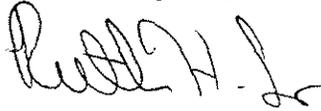

The Texas Department of Public Safety ("DPS") received a request for a copy of a DPS training tape, "The Right to Carry - Police Interaction With the Texas Concealed Handgun Law." You assert that this videotape is excepted from disclosure pursuant to section 552.108 of the Government Code.

Section 552.108 excepts from disclosure "[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime," and "[a]n internal record or notation of a law enforcement agency or prosecutor that is maintained for internal use in matters relating to law enforcement or prosecution." The videotape may be withheld from disclosure pursuant to section 552.108. *See Holmes v. Morales*, 39 Tex. Sup. Ct. J. 781, 1996 WL 325601 (June 14, 1996). However, the governmental body has the discretion to release non-confidential information. Gov't Code § 552.007.

We are resolving this matter with an informal letter ruling rather than with a published open records decision. This ruling is limited to the particular records at issue under the facts presented to us in this request and may not be relied upon as a previous

determination regarding any other records. If you have questions about this ruling, please contact our office.

Yours very truly,
