Dear Mr. Dohoney:

You ask whether certain information is subject to required public disclosure under the Open Records Act, chapter 552 of the Government Code. Your request was assigned ID# 101385.

The Office of the Tarrant County District Attorney received a request for information pertaining to a certain case report. You assert that the requested information is excepted from required public disclosure based on section 552.108 of the Government Code.

Section 552.108 of the Government Code excepts from disclosure "[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime," and "[a]n internal record or notation of a law enforcement agency or prosecutor that is maintained for internal use in matters relating to law enforcement or prosecution. Gov't Code § 552.108; see *Holmes v. Morales*, 924 S.W.2d 920 (Tex. 1996). Information normally found on the front page of an offense report is generally considered public. *Houston Chronicle Publishing Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist.] 1975), writ *ref'd n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976); Open Records Decision No. 127 (1976). We therefore conclude that except for front page offense report information, section 552.108 of the Government Code excepts the requested records from required public disclosure. On the other hand, you may choose to release all or part of the information that is not otherwise confidential by law. Gov't Code § 552.007.

We are resolving this matter with this informal letter ruling rather than with a published open records decision. This ruling is limited to the particular records at issue

under the facts presented to us in this request and may not be relied upon as a previous determination regarding any other records. If you have questions about this ruling, please contact our office.

Yours very truly,

Kay Guajardo
Assistant Attorney General
Open Records Division
