You ask whether certain information is subject to required public disclosure under chapter 552 of the Government Code. Your request was assigned ID# 34715.

The Consumer Protection Division of the Office of the Attorney General (the "OAG") received a request for "any and all documents . . . related to children's playscapes, recreational playground equipment, and to manufacturers, suppliers, and providers of recreational playground equipment." You have submitted the requested information, documents labeled categories A through E, to this office for review. You apparently intend to release the category E documents to the requestor, however you contend that categories A through D are excepted from disclosure pursuant to sections 552.101 and 552.111.

Section 552.111 excepts from disclosure "an interagency or intraagency memorandum or letter that would not be available by law to a party in litigation with the agency." This exception encompasses attorney work product created for litigation that tends to reveal an attorney's mental processes, conclusions, and legal theories. Open Records Decision No. 647 (1996). Moreover, when a person requests the entire litigation file of an attorney, the individual records in the file may be withheld under section 552.111. *Id.*

We have examined the records submitted for our review. These records may be the work product of an attorney created in anticipation of litigation. We are returning the records to you to determine whether these records fall within the test articulated in

Open Records Decision No. 647 (1996) to withhold attorney work product under section 552.111. If you so determine, you may withhold the records under section 552.111.¹

We are resolving this matter with an informal letter ruling rather than with a published open records decision. This ruling is limited to the particular records at issue under the facts presented to us in this request and should not be relied upon as a previous determination regarding any other records. If you have questions about this ruling, please contact our office.

Yours very truly,

Loretta R. DeHay
Assistant Attorney General
Open Records Division

¹The records submitted for our review contain information that may be protected from disclosure under section 552.101 of the Government Code. If you determine that section 552.111 does not except this information from disclosure, we urge you to exercise caution before releasing confidential information. See Gov't Code § 552.352 (providing penalties for improper release of confidential information).
