Dear Ms. Taylor:

You ask whether certain information is subject to required public disclosure under the Texas Open Records Act, chapter 552 of the Government Code. Your request was assigned ID# 104122.

The Houston Police Department (the "department") received an open records request for a particular offense report pertaining to an armed robbery. You indicate that the "Public Release" portion of the offense report will be made available to the requestor. *See Houston Chronicle Publishing Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.--Houston [14th Dist.] 1975), *writ ref'd n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976). You seek to withhold the remaining requested information pursuant to section 552.108 of the Government Code.

Section 552.108 of the Government Code excepts from disclosure "[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime," and "[a]n internal record or notation of a law enforcement agency or prosecutor that is maintained for internal use in matters relating to law enforcement or prosecution." Gov't Code § 552.108; *see Holmes v. Morales*, 924 S.W.2d 920 (Tex. 1996). Because the information at issue comes within the purview of section 552.108, we conclude that it may be withheld under this section. The department may choose, of course, to release all or part of the information at issue that is not otherwise confidential by law. *See Gov't Code § 552.007.*

We are resolving this matter with an informal letter ruling rather than with a published open records decision. This ruling is limited to the particular records at issue under the facts presented to us in this request and should not be relied upon as a previous determination regarding any other records. If you have questions about this ruling, please contact our office.

Yours very truly,

Vickie Prehoditch  
Assistant Attorney General  
Open Records Division
