Mr. Mark E. Dempsey
Assistant City Attorney

OR98-1135

Dear Mr. Dempsey:

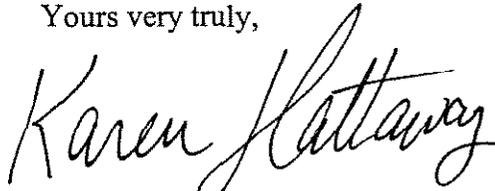

You ask whether certain information is subject to required public disclosure under the Texas Open Records Act, chapter 552 of the Government Code. Your request was assigned ID# 115344.

The City of Garland (the "city") received an open records request for the narrative portion of a particular offense report. You contend that, except for the categories of information specifically made public in *Houston Chronicle Publishing Company v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.--Houston [14th Dist.] 1975), *writ ref'd n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976), the requested report is excepted from required public disclosure pursuant to section 552.108 of the Government Code.

Section 552.108(a)(1) of the Government Code excepts from required public disclosure "[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime . . . if . . . release of the information would interfere with the detection, investigation, or prosecution of crime." Because you have informed us that the information at issue pertains to a pending prosecution of several offenses in municipal court, we conclude that you have met your burden of establishing that the release of the information at issue could interfere with law enforcement or prosecution. The city therefore may withhold the portions of the offense report that you have marked pursuant to section 552.108(a)(1). The remaining information must be released to the requestor.

We are resolving this matter with an informal letter ruling rather than with a published open records decision. This ruling is limited to the particular records at issue under the facts presented to us in this request and should not be relied upon as a previous determination regarding any other records. If you have questions about this ruling, please contact our office.

Yours very truly,
