Assistant General Counsel
Texas Department of Public Safety

Dear Mr. Crull:

You have asked whether certain information is subject to required public disclosure under the Open Records Act, chapter 552 of the Government Code. Your request was assigned ID# 121799.

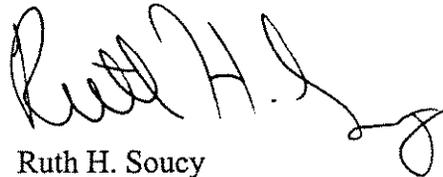

You assert that the requested information is excepted from disclosure based on section 552.108 of the Government Code.¹ Section 552.108 of the Government Code states that information held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime is excepted from required public disclosure "if release of the information would interfere with the detection, investigation, or prosecution of crime." Gov't Code § 552.108(a)(1). You inform us that the requested information pertains to a pending case. We therefore believe that the release of the information "would interfere with the detection, investigation, or prosecution of crime."

However section 552.108 is inapplicable to basic information about an arrested person, an arrest, or a crime. Gov't Code § 552.108(c). We believe such basic information refers to the information held to be public in *Houston Chronicle Publishing Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.--Houston [14th Dist.] 1975), *writ ref'd n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976). Thus, with the exception of the basic front page offense and arrest information, the department may withhold the requested information from disclosure based on section 552.108(a)(1).

¹We note that the submitted accident report is not at issue, as you indicate the accident report has already been released to the requestor.

We are resolving this matter with this informal letter ruling rather than with a published open records decision. This ruling is limited to the particular records at issue under the facts presented to us in this request and may not be relied upon as a previous determination regarding any other records. If you have questions about this ruling, please contact our office.

Yours very truly,
