DAN MORALES  
ATTORNEY GENERAL

November 30, 1998

Mr. Kevin D. Pagan  
Assistant City Attorney  
City of McAllen  
P.O. Box 220  
McAllen, Texas 78505-0220

OR98-2881

Dear Mr. Pagan:

You ask whether certain information is subject to required public disclosure under chapter 552 of the Government Code. Your request was assigned ID# 120011.

The City of McAllen (the "city") received a request for offense report number 98-019421. You have provided a copy of the responsive information, which you argue is excepted from public disclosure pursuant to section 552.108 of the Government Code. We have considered the exception raised and the subject information.

Section 552.108 of the Government Code, reads in pertinent part::

(a) Information held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime is excepted from the requirements of Section 552.021 if:

(1) release of the information would interfere with the detection, investigation, or prosecution of crime;

(2) it is information that deals with the detection, investigation, or prosecution of crime only in relation to an investigation that did not result in conviction or deferred adjudication; or

You state that subject case investigation is currently ongoing. Based upon this representation, we conclude that the release of the subject information would interfere with the detection, investigation, or prosecution of crime. *See Houston Chronicle Publ'g Co. v.*

*City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.--Houston[14th Dist.] 1975), *writ ref'd n.r.e. per curiam*, 536 S.W. 2d 559 (Tex. 1976) (court delineates law enforcement interests that are present in active cases).

We note, however, that information normally found on the front page of an offense report is generally considered public. *See generally* Gov't Code § 552.108(c); *Houston Chronicle*, 531 S.W.2d 177; Open Records Decision No. 127 (1976). Thus, you must release the type of information that is considered to be front page offense report information, including a detailed description of the offense and arrest, even if this information is not actually located on the front page of the offense report. In Open Records Decision No. 127 (1976), this office summarized the front page information of an offense report.

Although section 552.108(a)(1) authorizes you to withhold the remaining information from disclosure, you may choose to release all or part of the information at issue that is not otherwise confidential by law. *See* Gov't Code § 552.007.

We are resolving this matter with an informal letter ruling rather than with a published open records decision. This ruling is limited to the particular records at issue under the facts presented to us in this request and should not be relied upon as a previous determination regarding any other records. If you have questions about this ruling, please contact our office.

Yours very truly,

Michael J. Burns  
Assistant Attorney General  
Open Records Division
