Mr. Richard Brown
Assistant City Attorney
Criminal Law and Police Division
City of Dallas

Dear Mr. Brown:

You ask whether certain information is subject to required public disclosure under the Open Records Act, chapter 552 of the Government Code. Your request was assigned ID# 124376.

Section 552.301(a) of the Government Code provides in part that:

A governmental body that receives a written request for information that it wishes to withhold from public disclosure and that it considers to be within one of the [act's] exceptions . . . must ask for a decision from the attorney general about whether the information is within that exception if there has not been a previous determination about whether the information falls within one of the exceptions. The governmental body must ask for the attorney general's decision and state the exceptions that apply within a reasonable time but not later than the 10th business day after the date of receiving the request.

In this case, this office did not receive the request for a decision within the 10 business day period mandated by section 552.301(a). Because the request for a decision was not timely received, the requested information is presumed to be public information. Gov't Code § 552.302; *see Hancock v. State Bd. of Ins.*, 797 S.W.2d 379 (Tex. App.--Austin 1990, no writ).

In order to overcome the presumption that the requested information is public information, a governmental body must provide compelling reasons why the information should not be

disclosed. *Hancock*, 797 S.W.2d at 381; *see* Open Records Decision No. 630 (1994). You have not raised any specific compelling reasons to overcome the presumption that the information is public. We note, however, that the driver's license number and vehicle number in the submitted records are confidential and protected from disclosure under section 552.130 of the Government Code. The remaining information must be released to the requestor.

We are resolving this matter with this informal letter ruling rather than with a published open records decision. This ruling is limited to the particular records at issue under the facts presented to us in this request and may not be relied upon as a previous determination regarding any other records. If you have questions about this ruling, please contact our office.

Sincerely,

Assistant City Attorney
City of McAllen

OR99-0858

Dear Ms. Gonzalez:

You have asked whether certain information is subject to required public disclosure under the Open Records Act, chapter 552 of the Government Code. Your request was assigned ID# 124442.

You assert that the requested information is excepted from disclosure based on section 552.101 of the Government Code in conjunction with section 58.007 of the Family Code. Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Section 552.101 encompasses confidentiality provisions such as Family Code section 58.007. Juvenile law enforcement records relating to conduct that occurred on or after September 1, 1997 are confidential under section 58.007. The relevant language of section 58.007(c) reads as follows:

(c) Except as provided by Subsection (d), law enforcement records and files concerning a child may not be disclosed to the public and shall be:

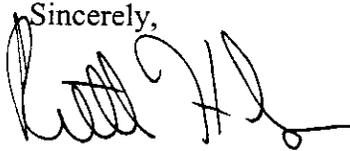

- (1) kept separate from adult files and records; and
- (2) maintained on a local basis only and not sent to a central state or federal depository, except as provided by Subchapter B.

The information at issue involves juvenile conduct that occurred after September 1, 1997. It does not appear that any of the exceptions in section 58.007 apply; therefore, the requested

information is confidential pursuant to section 58.007(c) of the Family Code. You must withhold the information from disclosure under section 552.101 of the Government Code.

We are resolving this matter with this informal letter ruling rather than with a published open records decision. This ruling is limited to the particular records at issue under the facts presented to us in this request and may not be relied upon as a previous determination regarding any other records. If you have questions about this ruling, please contact our office.

Sincerely,

A handwritten signature in black ink, appearing to read 'Ruth H. Soucy', with a long horizontal flourish extending to the right.
