Mr. Richard Brown
Office of the City Attorney
2014 Main Street, Room 206
Dallas, Texas 75201

OR99-1080

Dear Mr. Brown:

You ask whether certain information is subject to required public disclosure under chapter 552 of the Government Code. Your request was assigned ID# 124192.

The Dallas Police Department (the "department") received a request for a copy of all reports regarding Jacqueline Campbell Gipson. You claim that the requested information is excepted from disclosure under sections 552.101 and 552.108 of the Government Code. We have considered the exceptions you claim and reviewed the submitted information.

You argue that the information is excepted from disclosure under section 552.108 of the Government Code. Section 552.108 reads in pertinent part as follows:

(a) Information held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime . . . if:

(1) release of the information would interfere with the detection, investigation, or prosecution of crime;

(2) it is information that deals with the detection, investigation, or prosecution of crime only in relation to an investigation that did not result in conviction or deferred adjudication[.]

. . . .

We are resolving this matter with an informal letter ruling rather than with a published open records decision. This ruling is limited to the particular records at issue under the facts presented to us in this request and should not be relied upon as a previous determination regarding any other records. If you have questions about this ruling, please contact our office.

Sincerely,

David Van Brunt Price
