OR2001-1014

Dear Mr. Dempsey:

You have asked whether certain information is subject to required public disclosure under the Public Information Act, chapter 552 of the Government Code. Your request was assigned ID# 146591.

You assert that the requested information is excepted from disclosure based on section 552.101 of the Government Code in conjunction with section 58.007 of the Family Code. Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Section 552.101 encompasses confidentiality provisions such as Family Code section 58.007. Juvenile law enforcement records relating to conduct that occurred on or after September 1, 1997 are confidential under section 58.007. The relevant language of section 58.007(c) reads as follows:

(c) Except as provided by Subsection (d), law enforcement records and files concerning a child and information stored, by electronic means or otherwise, concerning the child from which a record or file could be generated may not be disclosed to the public and shall be:

- (1) if maintained on paper or microfilm, kept separate from adult files and records;
- (2) if maintained electronically in the same computer system as records or files relating to adults, be accessible under controls that are

separate and distinct from controls to access electronic data concerning adults; and

(3) maintained on a local basis only and not sent to a central state or federal depository, except as provided by Subchapter B.

The information at issue involves juvenile conduct that occurred after September 1, 1997. It does not appear that any of the exceptions in section 58.007 apply; therefore, the requested information is confidential pursuant to section 58.007(c) of the Family Code. You must withhold the information from disclosure under section 552.101 of the Government Code.

This letter ruling is limited to the particular records at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other records or any other circumstances.
