

February 13, 2002

Ms. Pamela Smith
Assistant General Counsel
Department of Public Safety
P.O. Box 4087
Austin, Texas 78773-0001

OR2002-0689

Dear Ms. Smith:

You ask whether certain information is subject to required public disclosure under chapter 552 of the Government Code. Your request was assigned ID# 160535.

The Department of Public Safety received a request for a person's fingerprint card. You claim that the requested information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Section 552.101 encompasses other statutes that render information confidential. The Seventy-seventh Legislature recently added sections 559.001, 559.002, and 559.003 to the Government Code, effective September 1, 2001.¹ These new statutes provide as follows:

Sec. 559.001. DEFINITIONS. In this chapter:

- (1) "Biometric identifier" means a retina or iris scan, fingerprint, voiceprint, or record of hand or face geometry.
- (2) "Governmental body" has the meaning assigned by Section 552.003 [of the Government Code], except that the term includes each entity within or created by the judicial branch of state government.

Sec. 559.002. DISCLOSURE OF BIOMETRIC IDENTIFIER. A governmental body that possesses a biometric identifier of an individual:

¹See Act of May 24, 2001, 77th Leg., R.S., H.B. 678, § 2.

(1) may not sell, lease, or otherwise disclose the biometric identifier to another person unless:

(A) the individual consents to the disclosure;

(B) the disclosure is required or permitted by a federal statute or by a state statute other than Chapter 552 [of the Government Code]; or

(C) the disclosure is made by or to a law enforcement agency for a law enforcement purpose; and

(2) shall store, transmit, and protect from disclosure the biometric identifier using reasonable care and in a manner that is the same as or more protective than the manner in which the governmental body stores, transmits, and protects its other confidential information.

Sec. 559.003. APPLICATION OF CHAPTER 552. A biometric identifier in the possession of a governmental body is exempt from disclosure under Chapter 552.

The submitted fingerprint information is governed by these statutes. It does not appear to this office that section 559.002 permits the disclosure of this information to the requestor. Therefore, the department must withhold the fingerprint information under section 559.003 of the Government Code.

This letter ruling is limited to the particular records at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other records or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For example, governmental bodies are prohibited from asking the attorney general to reconsider this ruling. Gov't Code § 552.301(f). If the governmental body wants to challenge this ruling, the governmental body must appeal by filing suit in Travis County within 30 calendar days. *Id.* § 552.324(b). In order to get the full benefit of such an appeal, the governmental body must file suit within 10 calendar days. *Id.* § 552.353(b)(3), (c). If the governmental body does not appeal this ruling and the governmental body does not comply with it, then both the requestor and the attorney general have the right to file suit against the governmental body to enforce this ruling. *Id.* § 552.321(a).

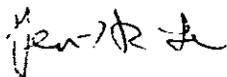

If this ruling requires the governmental body to release all or part of the requested information, the governmental body is responsible for taking the next step. Based on the statute, the attorney general expects that, within 10 calendar days of this ruling, the governmental body will do one of the following three things: 1) release the public records; 2) notify the requestor of the exact day, time, and place that copies of the records will be provided or that the records can be inspected; or 3) notify the requestor of the governmental body's intent to challenge this letter ruling in court. If the governmental body fails to do one of these three things within 10 calendar days of this ruling, then the requestor should report that failure to the attorney general's Open Government Hotline, toll free, at 877/673-6839. The requestor may also file a complaint with the district or county attorney. *Id.* § 552.3215(e).

If this ruling requires or permits the governmental body to withhold all or some of the requested information, the requestor can appeal that decision by suing the governmental body. *Id.* § 552.321(a); *Texas Department of Public Safety v. Gilbreath*, 842 S.W.2d 408, 411 (Tex. App.--Austin 1992, no writ).

Please remember that under the Act the release of information triggers certain procedures for costs and charges to the requestor. If records are released in compliance with this ruling, be sure that all charges for the information are at or below the legal amounts. Questions or complaints about over-charging must be directed to Hadassah Schloss at the Texas Building and Procurement Commission at 512/475-2497.

If the governmental body, the requestor, or any other person has questions or comments about this ruling, they may contact our office. Although there is no statutory deadline for contacting us, the attorney general prefers to receive any comments within 10 calendar days of the date of this ruling.

Sincerely,

Yen-Ha Le
Assistant Attorney General
Open Records Division
