Mr. Keith A. Martin
Assistant City Attorney
City of San Antonio

OR2003-0834

Dear Mr. Martin:

You ask whether certain information is subject to required public disclosure under chapter 552 of the Government Code. Your request was assigned ID# 176472.

The City of San Antonio (the "city") received a request for information regarding the "upcoming rate increase from Time Warner Cable for 2003." You state that you will release some responsive information to the requestor. Although the city does not take a position with regard to the release of the remaining requested information, the city claims that this information may be subject to third party confidentiality claims. Pursuant to section 552.305(d) of the Government Code, the city notified an interested third party, Time Warner Cable ("Time Warner"), of the city's receipt of the request and of Time Warner's right to submit arguments to this office as to why information relating to Time Warner should not be released to the requestor. *See* Gov't Code § 552.305(d); *see also* Open Records Decision No. 542 (1990) (determining that statutory predecessor to Gov't Code § 552.305 permits governmental body to rely on interested third party to raise and explain applicability of exception to disclosure under Public Information Act in certain circumstances). We have considered Time Warner's arguments and have reviewed the submitted information.

Time Warner contends that the submitted information constitutes commercial or financial information the release of which would cause Time Warner substantial competitive harm pursuant to section 552.110(b) of the Government Code. Section 552.110(b) excepts from disclosure "[c]ommercial or financial information for which it is demonstrated based on specific factual evidence that disclosure would cause substantial competitive harm to the

person from whom the information was obtained." Gov't Code § 552.110(b). An entity will not meet its burden under section 552.110(b) by a mere conclusory assertion of a possibility of commercial harm. *Cf. National Parks & Conservation Ass'n v. Morton*, 498 F.2d 765, 770 (D.C. Cir. 1974). The governmental body or interested third party raising section 552.110(b) must provide a specific factual or evidentiary showing that substantial competitive injury would likely result from disclosure of the requested information. *See Open Records Decision No. 639 at 4 (1996)* (to prevent disclosure of commercial or financial information, party must show by specific factual or evidentiary material, not conclusory or generalized allegations, that it actually faces competition and that substantial competitive injury would likely result from disclosure). Based on our review of Time Warner's arguments and the submitted information, we find that Time Warner has sufficiently demonstrated that the release of the submitted information would cause Time Warner substantial competitive harm. Accordingly, we conclude that the city must withhold the submitted information pursuant to section 552.110(b) of the Government Code.

This letter ruling is limited to the particular records at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other records or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For example, governmental bodies are prohibited from asking the attorney general to reconsider this ruling. Gov't Code § 552.301(f). If the governmental body wants to challenge this ruling, the governmental body must appeal by filing suit in Travis County within 30 calendar days. *Id.* § 552.324(b). In order to get the full benefit of such an appeal, the governmental body must file suit within 10 calendar days. *Id.* § 552.353(b)(3), (c). If the governmental body does not appeal this ruling and the governmental body does not comply with it, then both the requestor and the attorney general have the right to file suit against the governmental body to enforce this ruling. *Id.* § 552.321(a).

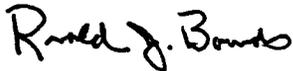

If this ruling requires the governmental body to release all or part of the requested information, the governmental body is responsible for taking the next step. Based on the statute, the attorney general expects that, within 10 calendar days of this ruling, the governmental body will do one of the following three things: 1) release the public records; 2) notify the requestor of the exact day, time, and place that copies of the records will be provided or that the records can be inspected; or 3) notify the requestor of the governmental body's intent to challenge this letter ruling in court. If the governmental body fails to do one of these three things within 10 calendar days of this ruling, then the requestor should report that failure to the attorney general's Open Government Hotline, toll free, at 877/673-6839. The requestor may also file a complaint with the district or county attorney. *Id.* § 552.3215(e).

If this ruling requires or permits the governmental body to withhold all or some of the requested information, the requestor can appeal that decision by suing the governmental body. *Id.* § 552.321(a); *Texas Department of Public Safety v. Gilbreath*, 842 S.W.2d 408, 411 (Tex. App.--Austin 1992, no writ).

Please remember that under the Act the release of information triggers certain procedures for costs and charges to the requestor. If records are released in compliance with this ruling, be sure that all charges for the information are at or below the legal amounts. Questions or complaints about over-charging must be directed to Hadassah Schloss at the Texas Building and Procurement Commission at 512/475-2497.

If the governmental body, the requestor, or any other person has questions or comments about this ruling, they may contact our office. We note that a third party may challenge this ruling by filing suit seeking to withhold information from a requestor. Gov't Code § 552.325. Although there is no statutory deadline for contacting us, the attorney general prefers to receive any comments within 10 calendar days of the date of this ruling.

Sincerely,

Ronald J. Bounds
