

OFFICE of the ATTORNEY GENERAL
GREG ABBOTT

July 1, 2003

Mr. Marc Allen Connelly
Assistant General Counsel
Texas Department of Health
1100 West 49th Street
Austin, Texas 78756-3199

OR2003-4480

Dear Mr. Connelly:

You ask whether certain information is subject to required public disclosure under chapter 552 of the Government Code. Your request was assigned ID# 183711.

The Texas Department of Health (the "department") received a request for certain information relating to Texarkana Regional Dialysis Center. You advise that the department has released or will release some of the requested information. You claim that the remaining requested information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and have reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." This exception protects information that another statute makes confidential. Chapter 251 of the Health and Safety Code relates to end stage renal disease facilities. Section 251.015 provides as follows:

- (a) A medical review board shall advise the board on minimum standards and rules to be adopted under this chapter.
- (b) The medical review board shall review the information on quality of care provided in the annual report filed under Section 251.013(f) and other appropriate information provided to or compiled by the [Texas Department of Health] with respect to an end stage renal disease facility. Based on the review, the medical review board may advise the [Texas Department of Health] about the quality of care provided by a facility and recommend an appropriate corrective action plan under Section 251.061 or other enforcement proceedings against the facility.

(c) Information concerning the quality of care provided to or compiled by the [Texas Department of Health] or medical review board and a recommendation of the medical review board are confidential. The information or recommendation may not be made available for public inspection, is not subject to disclosure under Chapter 552, Government Code, and is not subject to discovery, subpoena, or other compulsory legal process.

(d) The [Texas Department of Health], in its discretion, may release to a facility information relating to that facility that is made confidential under Sub-section (c). Release of information to a facility under this subsection does not waive the confidentiality of that information or the privilege from compulsory legal process.

Health & Safety Code § 251.015. Section 251.061 of the Health and Safety Code provides in part:

(g) A corrective action plan is not confidential. Information contained in the plan may be excepted from required disclosure under Chapter 552, Government Code, in accordance with that chapter or other applicable law.

Id. § 251.061(g).

You inform this office that the submitted documents relate to an end stage renal disease facility licensed by the department. You indicate that these documents contain information concerning quality of care that was provided to or compiled by the department or medical review board, and a recommendation of the medical review board. You inform us that the state surveyor created the submitted state form upon inspection of the facility. You explain that the left column of the state form contains the deficiencies cited, much of which is quality of care information. You claim that the marked information in the state form is confidential under section 251.015(c). Based on your representations and our review of the submitted documents, we agree that the information you have marked pursuant to section 251.015(c) of the Health and Safety Code is confidential under that provision and must be withheld from disclosure under section 552.101 of the Government Code.

This letter ruling is limited to the particular records at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other records or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For example, governmental bodies are prohibited from asking the attorney general to reconsider this ruling. Gov't Code § 552.301(f). If the governmental body wants to challenge this ruling, the governmental body must appeal by filing suit in Travis County within 30 calendar days. *Id.* § 552.324(b). In order to get the full benefit of such an appeal, the governmental body must file suit within 10 calendar days. *Id.* § 552.353(b)(3), (c). If the governmental body does not appeal this ruling and the

governmental body does not comply with it, then both the requestor and the attorney general have the right to file suit against the governmental body to enforce this ruling. *Id.* § 552.321(a).

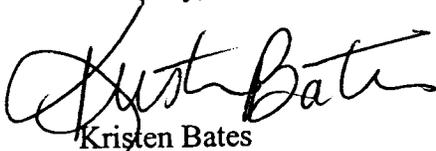

If this ruling requires the governmental body to release all or part of the requested information, the governmental body is responsible for taking the next step. Based on the statute, the attorney general expects that, within 10 calendar days of this ruling, the governmental body will do one of the following three things: 1) release the public records; 2) notify the requestor of the exact day, time, and place that copies of the records will be provided or that the records can be inspected; or 3) notify the requestor of the governmental body's intent to challenge this letter ruling in court. If the governmental body fails to do one of these three things within 10 calendar days of this ruling, then the requestor should report that failure to the attorney general's Open Government Hotline, toll free, at (877) 673-6839. The requestor may also file a complaint with the district or county attorney. *Id.* § 552.3215(e).

If this ruling requires or permits the governmental body to withhold all or some of the requested information, the requestor can appeal that decision by suing the governmental body. *Id.* § 552.321(a); *Texas Dep't of Pub. Safety v. Gilbreath*, 842 S.W.2d 408, 411 (Tex. App.—Austin 1992, no writ).

Please remember that under the Act the release of information triggers certain procedures for costs and charges to the requestor. If records are released in compliance with this ruling, be sure that all charges for the information are at or below the legal amounts. Questions or complaints about over-charging must be directed to Hadassah Schloss at the Texas Building and Procurement Commission at (512) 475-2497.

If the governmental body, the requestor, or any other person has questions or comments about this ruling, they may contact our office. We note that a third party may challenge this ruling by filing suit seeking to withhold information from a requestor. Gov't Code § 552.325. Although there is no statutory deadline for contacting us, the attorney general prefers to receive any comments within 10 calendar days of the date of this ruling.

Sincerely,

Kristen Bates
