

ATTORNEY GENERAL OF TEXAS
GREG ABBOTT

December 17, 2003

Ms. Victoria Huynh
Assistant City Attorney
City of Plano
P.O. Box 860358
Plano, Texas 75086-0658

OR2003-9113

Dear Ms. Huynh:

You ask whether certain information is subject to required public disclosure under chapter 552 of the Government Code. Your request was assigned ID# 193729.

The City of Plano (the "city") received a request for the top five bids submitted in response to the city's request for proposal number C-103-03. You explain that, with the exception of the submitted bid proposal, the city has released all responsive information. You state that the proposal at issue was marked confidential by the submitter and may contain information of a confidential or proprietary nature. Although you raise no exception to disclosure on behalf of the city or make any arguments regarding the confidential or proprietary nature of the submitted proposal, you have notified the third party, Tactical Concepts Group (the "TCG"), of the request for information and of its opportunity to submit comments to this office. *See* Gov't Code § 552.305 (permitting interested third party to submit to attorney general reasons why requested information should not be released); Open Records Decision No. 542 (1990) (determining that statutory predecessor to Gov't Code § 552.305 permits governmental body to rely on interested third party to raise and explain applicability of exception in Public Information Act in certain circumstances).

Pursuant to section 552.305(d), an interested third party has ten business days after the date of its receipt of the governmental body's notice to submit its reasons, if any, as to why information relating to that party should be withheld from public disclosure. *See* Gov't Code § 552.305(d)(2)(B). As of the date of this letter, TCG has not provided any arguments explaining why its proposal should not be released. Therefore, we have no basis to conclude

that the release of the submitted proposal would implicate TCG's proprietary interests. *See* Gov't Code § 552.110(b) (to prevent disclosure of commercial or financial information, party must show by specific factual or evidentiary material, not conclusory or generalized allegations, that it actually faces competition and that substantial competitive injury would likely result from disclosure); Open Records Decision Nos. 552 at 5 (1990) (party must establish *prima facie* case that information is trade secret), 542 at 3 (1990).

We note, however, that the submitted proposal contains certain personal information of TCG's president, which may be protected from disclosure under section 552.1175 of the Government Code. Section 552.1175 states in pertinent part:

(a) This section applies only to:

(1) peace officers as defined by Article 2.12, Code of Criminal Procedure;

...

(b) Information that relates to the home address, home telephone number, or social security number of an individual to whom this section applies, or that reveals whether the individual has family members is confidential and may not be disclosed to the public under this chapter if the individual to whom the information relates:

(1) chooses to restrict public access to the information; and

(2) notifies the governmental body of the individual's choice on a form provided by the governmental body, accompanied by evidence of the individual's status.

You state, and the documents reflect, that TCG's president was formerly employed as a peace officer by another governmental body. You do not state, nor can we conclusively discern from the records, whether this individual is currently a peace officer as defined by Article 2.12 of the Code of Criminal Procedure. Thus, if TCG's president is a peace officer for purposes of this statute, he may elect to restrict access to his home address, home telephone number, and social security number in accordance with section 552.1175. *Cf.* Open Records Decision Nos. 622 (1994) (Gov't Code § 552.117 excepts from disclosure former home addresses and former home telephone numbers), 455 (1987). If this individual is not a peace officer or does not elect, the information must be released.

Finally, the records contain Texas motor vehicle information that is excepted from disclosure under section 552.130 of the Government Code. Section 552.130 provides in relevant part:

(a) Information is excepted from the requirement of Section 552.021 if the information relates to:

- (1) a motor vehicle operator's or driver's license or permit issued by an agency of this state; [or]
- (2) a motor vehicle title or registration issued by an agency of this state[.]

We have marked the Texas driver's license number that must be withheld under section 552.130 of the Government Code. The remaining portions of the proposal must be released.

This letter ruling is limited to the particular records at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other records or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For example, governmental bodies are prohibited from asking the attorney general to reconsider this ruling. Gov't Code § 552.301(f). If the governmental body wants to challenge this ruling, the governmental body must appeal by filing suit in Travis County within 30 calendar days. *Id.* § 552.324(b). In order to get the full benefit of such an appeal, the governmental body must file suit within 10 calendar days. *Id.* § 552.353(b)(3), (c). If the governmental body does not appeal this ruling and the governmental body does not comply with it, then both the requestor and the attorney general have the right to file suit against the governmental body to enforce this ruling. *Id.* § 552.321(a).

If this ruling requires the governmental body to release all or part of the requested information, the governmental body is responsible for taking the next step. Based on the statute, the attorney general expects that, within 10 calendar days of this ruling, the governmental body will do one of the following three things: 1) release the public records; 2) notify the requestor of the exact day, time, and place that copies of the records will be provided or that the records can be inspected; or 3) notify the requestor of the governmental body's intent to challenge this letter ruling in court. If the governmental body fails to do one of these three things within 10 calendar days of this ruling, then the requestor should report that failure to the attorney general's Open Government Hotline, toll free, at (877) 673-6839. The requestor may also file a complaint with the district or county attorney. *Id.* § 552.3215(e).

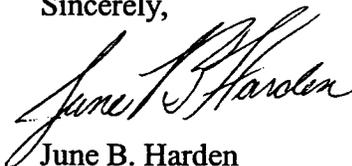

If this ruling requires or permits the governmental body to withhold all or some of the requested information, the requestor can appeal that decision by suing the governmental

body. *Id.* § 552.321(a); *Texas Dep't of Pub. Safety v. Gilbreath*, 842 S.W.2d 408, 411 (Tex. App.—Austin 1992, no writ).

Please remember that under the Act the release of information triggers certain procedures for costs and charges to the requestor. If records are released in compliance with this ruling, be sure that all charges for the information are at or below the legal amounts. Questions or complaints about over-charging must be directed to Hadassah Schloss at the Texas Building and Procurement Commission at (512) 475-2497.

If the governmental body, the requestor, or any other person has questions or comments about this ruling, they may contact our office. We note that a third party may challenge this ruling by filing suit seeking to withhold information from a requestor. Gov't Code § 552.325. Although there is no statutory deadline for contacting us, the attorney general prefers to receive any comments within 10 calendar days of the date of this ruling.

Sincerely,

June B. Harden
Assistant Attorney General
