

ATTORNEY GENERAL OF TEXAS
GREG ABBOTT

April 29, 2004

Mr. Robert Ray
Assistant City Attorney
City of Longview
P.O. Box 1952
Longview, Texas 75606-1952

OR2004-3526

Dear Mr. Ray:

You ask whether certain information is subject to required public disclosure under chapter 552 of the Government Code. Your request was assigned ID# 200509.

The City of Longview (the "city") received a request for all street use fee reports from IESI Waste and Olympic Waste for a specified time period. You indicate that release of the requested information may implicate the proprietary interests of third parties. Accordingly, you provide documentation showing that you notified the interested parties, IESI Waste ("IESI") and Olympic Waste ("Olympic") of the request and of their right to submit arguments to this office as to why their information should not be released. *See Gov't Code* § 552.305(d) (permitting interested third party to submit to attorney general reasons why requested information should not be released); *see also* Open Records Decision No. 542 (1990) (determining that statutory predecessor to section 552.305 permits governmental body to rely on interested third party to raise and explain applicability of exception to disclosure under the Public Information Act in certain circumstances). We have reviewed the submitted information.

An interested third party is allowed ten business days after the date of its receipt of the governmental body's notice under section 552.305(d) to submit its reasons, if any, as to why information relating to that party should be withheld from public disclosure. *See Gov't Code* § 552.305(d)(2)(B). However, as of the date of this letter, we have not received arguments for withholding the requested information from IESI or Olympic. Therefore, we have no basis to conclude that the release of any of the submitted information would harm the

proprietary interests of these interested third parties. *See, e.g.*, Gov't Code § 552.110(b) (to prevent disclosure of commercial or financial information, party must show by specific factual or evidentiary material, not conclusory or generalized allegations, that it actually faces competition and that substantial competitive injury would likely result from disclosure); Open Records Decision Nos. 552 at 5 (1990) (party must establish *prima facie* case that information is trade secret), 542 at 3 (1990). Therefore, the submitted information pertaining to IESI and Olympic may not be withheld under section 552.110. Accordingly, as you assert no other exceptions for our consideration, the city must release the submitted information to the requestor.

This letter ruling is limited to the particular records at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other records or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For example, governmental bodies are prohibited from asking the attorney general to reconsider this ruling. Gov't Code § 552.301(f). If the governmental body wants to challenge this ruling, the governmental body must appeal by filing suit in Travis County within 30 calendar days. *Id.* § 552.324(b). In order to get the full benefit of such an appeal, the governmental body must file suit within 10 calendar days. *Id.* § 552.353(b)(3), (c). If the governmental body does not appeal this ruling and the governmental body does not comply with it, then both the requestor and the attorney general have the right to file suit against the governmental body to enforce this ruling. *Id.* § 552.321(a).

If this ruling requires the governmental body to release all or part of the requested information, the governmental body is responsible for taking the next step. Based on the statute, the attorney general expects that, within 10 calendar days of this ruling, the governmental body will do one of the following three things: 1) release the public records; 2) notify the requestor of the exact day, time, and place that copies of the records will be provided or that the records can be inspected; or 3) notify the requestor of the governmental body's intent to challenge this letter ruling in court. If the governmental body fails to do one of these three things within 10 calendar days of this ruling, then the requestor should report that failure to the attorney general's Open Government Hotline, toll free, at (877) 673-6839. The requestor may also file a complaint with the district or county attorney. *Id.* § 552.3215(e).

If this ruling requires or permits the governmental body to withhold all or some of the requested information, the requestor can appeal that decision by suing the governmental body. *Id.* § 552.321(a); *Texas Dep't of Pub. Safety v. Gilbreath*, 842 S.W.2d 408, 411 (Tex. App.—Austin 1992, no writ).

Please remember that under the Act the release of information triggers certain procedures for costs and charges to the requestor. If records are released in compliance with this ruling, be sure that all charges for the information are at or below the legal amounts. Questions or complaints about over-charging must be directed to Hadassah Schloss at the Texas Building and Procurement Commission at (512) 475-2497.

If the governmental body, the requestor, or any other person has questions or comments about this ruling, they may contact our office. We note that a third party may challenge this ruling by filing suit seeking to withhold information from a requestor. Gov't Code § 552.325. Although there is no statutory deadline for contacting us, the attorney general prefers to receive any comments within 10 calendar days of the date of this ruling.

Sincerely,

Debbie K. Lee
