

ATTORNEY GENERAL OF TEXAS
GREG ABBOTT

October 28, 2004

Mr. Asem Eltiar
Assistant City Attorney
Arlington Police Department
P.O. Box 1065
Arlington, Texas 76004-1065

OR2004-9216

Dear Mr. Eltiar:

You ask whether certain information is subject to required public disclosure under chapter 552 of the Government Code. Your request was assigned ID# 211642.

The Arlington Police Department (the "department ") received a request for a specified accident and incident report. You claim that the information is excepted from disclosure under section 552.103 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Initially, we note that the submitted information includes a "Texas Peace Officer's Accident Report." Section 550.065(b) of the Transportation Code "applies only to information that is held by the [Department of Public Safety] or another governmental entity and relates to a motor vehicle accident reported under [chapter 552] or Section 601.004 [of the Transportation Code.]" This section states that, except as provided by subsection (c), accident reports are privileged and confidential. Section 550.065(c)(4) provides for release of accident reports to a person who provides two of the following three pieces of information: (1) the date of the accident, (2) the name of any person involved in the accident, and (3) the specific location of the accident. *See* Transp. Code § 550.065(c)(4). Under this provision, a governmental entity is required to release a copy of an accident report to a person who provides two or more pieces of information specified by the statute. *Id.* In this instance, the requestor has not provided the department with two of the three pieces of information. Thus, pursuant to section 550.065, you must withhold the "Texas Peace Officer's Accident Report" as information that is confidential by law.

Next, we find that the remaining submitted information is subject to required public disclosure under section 552.022 of the Government Code, which provides in relevant part:

the following categories of information are public information and not excepted from required disclosure under this chapter unless they are expressly confidential under other law:

- (1) a completed report, audit, evaluation, or investigation made of, for, or by a governmental body, except as provided by Section 552.108[.]

Gov't Code § 552.022(a)(1). The remaining submitted information consists of a completed investigation. The completed investigation must be released under section 552.022(a)(1) unless it is excepted from disclosure under section 552.108 of the Government Code or expressly confidential under other law.¹ Although you also seek to withhold the completed investigation under section 552.103, we note that this section is a discretionary exception to disclosure that protects a governmental body's interests and may be waived. *See* Gov't Code § 552.007; *Dallas Area Rapid Transit v. Dallas Morning News*, 4 S.W.3d 469, 475-76 (Tex. App.—Dallas 1999, no pet.) (Gov't Code § 552.103 may be waived); Open Records Decision Nos. 665 at 2 n.5 (2000) (discretionary exceptions generally), 542 at 4 (1990) (statutory predecessor to Gov't Code § 552.103 subject to waiver). As such, section 552.103 is not other law that makes information confidential for the purposes of section 552.022. Therefore, the department may not withhold any of the remaining submitted information under section 552.103.

We note, however, that the completed investigation at issue contains information that is excepted from disclosure under section 552.130 of the Government Code.² Section 552.130 excepts from disclosure information relating to a Texas motor vehicle driver's license and information relating to a Texas motor vehicle title or registration. Gov't Code § 552.130. Thus, the department must withhold the information we have marked under section 552.130. We note, however, that section 552.130 protects privacy interests, and thus this section is not applicable to the Texas driver's license and motor vehicle information of an individual who is deceased. *See Moore v. Charles B. Pierce Film Enters., Inc.*, 589 S.W.2d 489, 491 (Tex. App.—Texarkana 1979, writ ref'd n.r.e.); Open Records Decision No. 272 at 1 (1981).

In summary, the department must withhold the marked accident report form under section 550.065(b) of the Transportation Code. The marked information must be withheld

¹ We note that you do not raise section 552.108 as an exception to disclosure.

² The Office of the Attorney General will raise a mandatory exception like section 552.130 on behalf of a governmental body, but ordinarily will not raise other exceptions. Open Records Decision Nos. 481 (1987), 480 (1987), 470 (1987).

pursuant to section 552.130 of the Government Code. The remaining information must be released to the requestor pursuant to section 552.022(a)(1) of the Government Code.

This letter ruling is limited to the particular records at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other records or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For example, governmental bodies are prohibited from asking the attorney general to reconsider this ruling. Gov't Code § 552.301(f). If the governmental body wants to challenge this ruling, the governmental body must appeal by filing suit in Travis County within 30 calendar days. *Id.* § 552.324(b). In order to get the full benefit of such an appeal, the governmental body must file suit within 10 calendar days. *Id.* § 552.353(b)(3), (c). If the governmental body does not appeal this ruling and the governmental body does not comply with it, then both the requestor and the attorney general have the right to file suit against the governmental body to enforce this ruling. *Id.* § 552.321(a).

If this ruling requires the governmental body to release all or part of the requested information, the governmental body is responsible for taking the next step. Based on the statute, the attorney general expects that, within 10 calendar days of this ruling, the governmental body will do one of the following three things: 1) release the public records; 2) notify the requestor of the exact day, time, and place that copies of the records will be provided or that the records can be inspected; or 3) notify the requestor of the governmental body's intent to challenge this letter ruling in court. If the governmental body fails to do one of these three things within 10 calendar days of this ruling, then the requestor should report that failure to the attorney general's Open Government Hotline, toll free, at (877) 673-6839. The requestor may also file a complaint with the district or county attorney. *Id.* § 552.3215(e).

If this ruling requires or permits the governmental body to withhold all or some of the requested information, the requestor can appeal that decision by suing the governmental body. *Id.* § 552.321(a); *Texas Dep't of Pub. Safety v. Gilbreath*, 842 S.W.2d 408, 411 (Tex. App.—Austin 1992, no writ).

Please remember that under the Act the release of information triggers certain procedures for costs and charges to the requestor. If records are released in compliance with this ruling, be sure that all charges for the information are at or below the legal amounts. Questions or complaints about over-charging must be directed to Hadassah Schloss at the Texas Building and Procurement Commission at (512) 475-2497.

If the governmental body, the requestor, or any other person has questions or comments about this ruling, they may contact our office. We note that a third party may challenge this

ruling by filing suit seeking to withhold information from a requestor. Gov't Code § 552.325. Although there is no statutory deadline for contacting us, the attorney general prefers to receive any comments within 10 calendar days of the date of this ruling.

Sincerely,
