

ATTORNEY GENERAL OF TEXAS
GREG ABBOTT

November 30, 2004

Mr. David A. Anderson
General Counsel
Texas Education Agency
1701 North Congress Avenue
Austin, Texas 78701-1494

OR2004-10046

Dear Mr. Anderson:

You ask whether certain information is subject to required public disclosure under chapter 552 of the Government Code. Your request was assigned ID# 214554.

The Texas Education Agency ("TEA") received a request for five categories of information pertaining to North Forest Independent School District ("NFISD"). You claim that the submitted information is excepted from disclosure under section 552.116 of the Government Code. We have considered the exception you claim and reviewed the submitted representative sample of information.¹

Initially, we note that you have only submitted information pertaining to a pending NFISD financial audit. As you have not submitted the other requested information for our review, we assume you have released it to the extent that it existed on the date TEA received this request. If you have not released any such records, you must do so at this time. *See Gov't Code §§ 552.301(a), .302; see also Open Records Decision No. 664 (2000) (if governmental body concludes that no exceptions apply to requested information, it must release information as soon as possible).*

We turn now to your arguments regarding the submitted information. Section 552.116 of the Government Code provides as follows:

¹ We assume that the representative sample of records submitted to this office is truly representative of the requested records as a whole. *See Open Records Decision Nos. 499 (1988), 497 (1988).* This open records letter does not reach and, therefore, does not authorize the withholding of any other requested records to the extent that those records contain substantially different types of information than that submitted to this office.

(a) An audit working paper of an audit of the state auditor or the auditor of a state agency or institution of higher education as defined by Section 61.003, Education Code, is excepted from [public disclosure]. If information in an audit working paper is also maintained in another record, that other record is not excepted from [public disclosure] by this section.

(b) In this section:

(1) "Audit" means an audit authorized or required by a statute of this state or the United States and includes an investigation.

(2) "Audit working paper" includes all information, documentary or otherwise, prepared or maintained in conducting an audit or preparing an audit report, including:

(A) intra-agency and interagency communications; and

(B) drafts of the audit report or portions of those drafts.

Gov't Code § 552.116. You state that the submitted documents are held by TEA's Division of Financial Audits and relate to TEA's audit of NFISD as authorized under sections 44.008 and 44.010 of the Education Code. Having considered your representations and reviewed the submitted information, we agree that TEA may withhold this information pursuant to section 552.116 of the Government Code.

This letter ruling is limited to the particular records at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other records or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For example, governmental bodies are prohibited from asking the attorney general to reconsider this ruling. Gov't Code § 552.301(f). If the governmental body wants to challenge this ruling, the governmental body must appeal by filing suit in Travis County within 30 calendar days. *Id.* § 552.324(b). In order to get the full benefit of such an appeal, the governmental body must file suit within 10 calendar days. *Id.* § 552.353(b)(3), (c). If the governmental body does not appeal this ruling and the governmental body does not comply with it, then both the requestor and the attorney general have the right to file suit against the governmental body to enforce this ruling. *Id.* § 552.321(a).

If this ruling requires the governmental body to release all or part of the requested information, the governmental body is responsible for taking the next step. Based on the statute, the attorney general expects that, within 10 calendar days of this ruling, the governmental body will do one of the following three things: 1) release the public records; 2) notify the requestor of the exact day, time, and place that copies of the records

will be provided or that the records can be inspected; or 3) notify the requestor of the governmental body's intent to challenge this letter ruling in court. If the governmental body fails to do one of these three things within 10 calendar days of this ruling, then the requestor should report that failure to the attorney general's Open Government Hotline, toll free, at (877) 673-6839. The requestor may also file a complaint with the district or county attorney. *Id.* § 552.3215(e).

If this ruling requires or permits the governmental body to withhold all or some of the requested information, the requestor can appeal that decision by suing the governmental body. *Id.* § 552.321(a); *Texas Dep't of Pub. Safety v. Gilbreath*, 842 S.W.2d 408, 411 (Tex. App.—Austin 1992, no writ).

Please remember that under the Act the release of information triggers certain procedures for costs and charges to the requestor. If records are released in compliance with this ruling, be sure that all charges for the information are at or below the legal amounts. Questions or complaints about over-charging must be directed to Hadassah Schloss at the Texas Building and Procurement Commission at (512) 475-2497.

If the governmental body, the requestor, or any other person has questions or comments about this ruling, they may contact our office. We note that a third party may challenge this ruling by filing suit seeking to withhold information from a requestor. Gov't Code § 552.325. Although there is no statutory deadline for contacting us, the attorney general prefers to receive any comments within 10 calendar days of the date of this ruling.

Sincerely,

Caroline E. Cho
