

ATTORNEY GENERAL OF TEXAS  
GREG ABBOTT

December 1, 2004

Mr. David K. Walker  
County Attorney  
Montgomery County  
207 West Phillips  
Conroe, Texas 77301

OR2004-10155

Dear Mr. Walker:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 213896.

The Montgomery County Sheriff's Department (the "department") received a request for a specific set of autopsy photographs.<sup>1</sup> You claim that the photographs are excepted from disclosure under section 552.108 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

We note that the submitted autopsy photographs are excepted from public disclosure pursuant to section 552.101 of the Government Code.<sup>2</sup> Section 552.101 excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." This section encompasses information another statute makes confidential. Section 11 of article 49.25 of the Code of Criminal Procedure provides as follows:

---

<sup>1</sup>Although you submitted an offense report and related documentation to this office for a ruling, this information is not responsive to the present request for information. Therefore, this ruling does not address the availability of such information to the requestor.

<sup>2</sup>The Office of the Attorney General will raise a mandatory exception like section 552.101 on behalf of a governmental body, but ordinarily will not raise other exceptions. Open Records Decision Nos. 481 (1987), 480 (1987), 470 (1987).

The medical examiner shall keep full and complete records properly indexed, giving the name if known of every person whose death is investigated, the place where the body was found, the date, the cause and manner of death, and shall issue a death certificate . . . . The records are subject to required public disclosure in accordance with Chapter 552, Government Code, except that a photograph or x-ray of a body taken during an autopsy is excepted from required public disclosure in accordance with Chapter 552, Government Code, but is subject to disclosure:

- (1) under a subpoena or authority of other law; or
- (2) if the photograph or x-ray is of the body of a person who died while in the custody of law enforcement.

Code Crim. Proc. art. 49.25, § 11. Pursuant to section 11, the submitted autopsy photographs are confidential and must be withheld because neither exception applies in this instance. Because we reach this determination, we do not address your section 552.108 argument.

This letter ruling is limited to the particular records at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other records or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For example, governmental bodies are prohibited from asking the attorney general to reconsider this ruling. Gov't Code § 552.301(f). If the governmental body wants to challenge this ruling, the governmental body must appeal by filing suit in Travis County within 30 calendar days. *Id.* § 552.324(b). In order to get the full benefit of such an appeal, the governmental body must file suit within 10 calendar days. *Id.* § 552.353(b)(3), (c). If the governmental body does not appeal this ruling and the governmental body does not comply with it, then both the requestor and the attorney general have the right to file suit against the governmental body to enforce this ruling. *Id.* § 552.321(a).

If this ruling requires the governmental body to release all or part of the requested information, the governmental body is responsible for taking the next step. Based on the statute, the attorney general expects that, within 10 calendar days of this ruling, the governmental body will do one of the following three things: 1) release the public records; 2) notify the requestor of the exact day, time, and place that copies of the records will be provided or that the records can be inspected; or 3) notify the requestor of the governmental body's intent to challenge this letter ruling in court. If the governmental body fails to do one of these three things within 10 calendar days of this ruling, then the requestor should report that failure to the attorney general's Open Government Hotline, toll free,

at (877) 673-6839. The requestor may also file a complaint with the district or county attorney. *Id.* § 552.3215(e).

If this ruling requires or permits the governmental body to withhold all or some of the requested information, the requestor can appeal that decision by suing the governmental body. *Id.* § 552.321(a); *Texas Dep't of Pub. Safety v. Gilbreath*, 842 S.W.2d 408, 411 (Tex. App.—Austin 1992, no writ).

Please remember that under the Act the release of information triggers certain procedures for costs and charges to the requestor. If records are released in compliance with this ruling, be sure that all charges for the information are at or below the legal amounts. Questions or complaints about over-charging must be directed to Hadassah Schloss at the Texas Building and Procurement Commission at (512) 475-2497.

If the governmental body, the requestor, or any other person has questions or comments about this ruling, they may contact our office. We note that a third party may challenge this ruling by filing suit seeking to withhold information from a requestor. Gov't Code § 552.325. Although there is no statutory deadline for contacting us, the attorney general prefers to receive any comments within 10 calendar days of the date of this ruling.

Sincerely,

L. Joseph James  
Assistant Attorney General  
Open Records Division
