

ATTORNEY GENERAL OF TEXAS  
GREG ABBOTT

February 9, 2005

Ms. Melinda Ramos  
Assistant City Attorney  
City of Fort Worth  
1000 Throckmorton Street  
Fort Worth, Texas 76102

OR2005-01182

Dear Ms. Ramos:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 218516.

The City of Fort Worth (the "city") received a request for information pertaining to a fatal car accident. You state you will release some of the requested information, but claim that some of the submitted information is excepted from disclosure under sections 552.101 and 552.130 of the Government Code. We have considered the exceptions you claim and reviewed the submitted information.

Initially, we note that the submitted information contains an accident report form that appears to have been completed pursuant to chapter 550 of the Transportation Code. *See* Transp. Code § 550.064 (officer's accident report). Section 550.065(b) states that, except as provided by subsection (c), accident reports are privileged and confidential. Section 550.065(c)(4) provides for the release of accident reports to a person who provides two of the following three pieces of information: (1) date of the accident; (2) name of any person involved in the accident; and (3) specific location of the accident. *Id.* § 550.065(c)(4). Under this provision, a governmental entity is required to release a copy of an accident report to a person who provides two or more pieces of information specified by the statute. *Id.* The requestor has provided the city with two of the three pieces of information pursuant to section 550.065(c)(4); thus, the city must release the accident report under this section. Although you contend that some information in the report is excepted from disclosure under

section 552.130, the exceptions found in the Act generally do not apply to information that is made public by other statutes. *See* Open Records Decision No. 525 (1989) (statutory predecessor). Thus, you must release the report in its entirety to the requestor.

You assert that some of the remaining information is excepted under section 552.101, which excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." This section encompasses information protected by other statutes. Criminal history record information ("CHRI") generated by the National Crime Information Center or by the Texas Crime Information Center is confidential. Title 28, part 20 of the Code of Federal Regulations governs the release of CHRI that states obtain from the federal government or other states. Open Records Decision No. 565 (1990). The federal regulations allow each state to follow its individual law with respect to CHRI it generates. *Id.* Section 411.083 of the Government Code deems confidential CHRI that the Department of Public Safety ("DPS") maintains, except that the DPS may disseminate this information as provided in chapter 411, subchapter F of the Government Code. *See* Gov't Code § 411.083.

Sections 411.083(b)(1) and 411.089(a) authorize a criminal justice agency to obtain CHRI; however, a criminal justice agency may not release CHRI except to another criminal justice agency for a criminal justice purpose. *Id.* § 411.089(b)(1). Other entities specified in chapter 411 of the Government Code are entitled to obtain CHRI from DPS or another criminal justice agency; however, those entities may not release CHRI except as provided by chapter 411. *See generally id.* §§ 411.090-411.127. Thus, any CHRI generated by the federal government or another state may not be made available to the requestor except in accordance with federal regulations. *See* Open Records Decision No. 565 (1990). However, we note that driving record information is not made confidential by the confidentiality provisions that govern CHRI. *See* Gov't Code § 411.082(2)(B) (definition of CHRI does not include driving record information). Therefore, any CHRI obtained from DPS or any other criminal justice agency in the information at issue must be withheld under section 552.101 of the Government Code in conjunction with Government Code chapter 411, subchapter F.

We note that the information at issue contains a social security number, which may be excepted from disclosure under section 552.101 in conjunction with the 1990 amendments to the federal Social Security Act, 42 U.S.C. § 405(c)(2)(C)(viii)(I). *See* Open Records Decision No. 622 (1994). These amendments make confidential social security numbers and related records that are obtained or maintained by a state agency or political subdivision of the state pursuant to any provision of law enacted on or after October 1, 1990. *See id.* We have no basis for concluding that the social security number in the remaining information is confidential under section 405(c)(2)(C)(viii)(I), and therefore excepted from public disclosure under section 552.101 of the Government Code on the basis of that federal provision. We caution, however, that section 552.352 of the Government Code imposes criminal penalties for the release of confidential information. Prior to releasing any social security number information, you should ensure that no such information was

obtained or is maintained by the city pursuant to any provision of law, enacted on or after October 1, 1990.

You assert some of the remaining information is excepted under section 552.130. Section 552.130 of the Government Code provides in relevant part the following:

(a) Information is excepted from the requirements of Section 552.021 if the information relates to:

- (1) a motor vehicle operator's or driver's license or permit issued by an agency of this state; [or]
- (2) a motor vehicle title or registration issued by an agency of this state[.]

Gov't Code § 552.130. The city must withhold the Texas motor vehicle record information in the remaining documents that we have marked under section 552.130.

To conclude, the city must release the accident report in its entirety pursuant to section 550.065(c)(4) of the Transportation Code. The city must withhold any CHRI obtained from DPS or any other criminal justice agency in the information at issue must be withheld under section 552.101 of the Government Code in conjunction with Government Code chapter 411, subchapter F. A social security number may be confidential under federal law. The city must withhold the marked Texas motor vehicle record information in the remaining documents under section 552.130, but it must release the remaining information.

This letter ruling is limited to the particular records at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other records or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For example, governmental bodies are prohibited from asking the attorney general to reconsider this ruling. Gov't Code § 552.301(f). If the governmental body wants to challenge this ruling, the governmental body must appeal by filing suit in Travis County within 30 calendar days. *Id.* § 552.324(b). In order to get the full benefit of such an appeal, the governmental body must file suit within 10 calendar days. *Id.* § 552.353(b)(3), (c). If the governmental body does not appeal this ruling and the governmental body does not comply with it, then both the requestor and the attorney general have the right to file suit against the governmental body to enforce this ruling. *Id.* § 552.321(a).

If this ruling requires the governmental body to release all or part of the requested information, the governmental body is responsible for taking the next step. Based on the

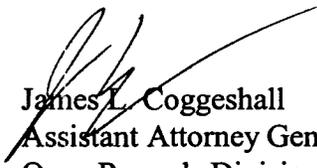

statute, the attorney general expects that, upon receiving this ruling, the governmental body will either release the public records promptly pursuant to section 552.221(a) of the Government Code or file a lawsuit challenging this ruling pursuant to section 552.324 of the Government Code. If the governmental body fails to do one of these things, then the requestor should report that failure to the attorney general's Open Government Hotline, toll free, at (877) 673-6839. The requestor may also file a complaint with the district or county attorney. *Id.* § 552.3215(e).

If this ruling requires or permits the governmental body to withhold all or some of the requested information, the requestor can appeal that decision by suing the governmental body. *Id.* § 552.321(a); *Texas Dep't of Pub. Safety v. Gilbreath*, 842 S.W.2d 408, 411 (Tex. App.—Austin 1992, no writ).

Please remember that under the Act the release of information triggers certain procedures for costs and charges to the requestor. If records are released in compliance with this ruling, be sure that all charges for the information are at or below the legal amounts. Questions or complaints about over-charging must be directed to Hadassah Schloss at the Texas Building and Procurement Commission at (512) 475-2497.

If the governmental body, the requestor, or any other person has questions or comments about this ruling, they may contact our office. We note that a third party may challenge this ruling by filing suit seeking to withhold information from a requestor. Gov't Code § 552.325. Although there is no statutory deadline for contacting us, the attorney general prefers to receive any comments within 10 calendar days of the date of this ruling.

Sincerely,

James L. Coggeshall  
Assistant Attorney General  
Open Records Division
