Mr. Jeffrey S. Young

OR2005-05151

Dear Mr. Young:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 225930.

The Texas Tech University Health Sciences Center (the "university") received a request for the list of applicants who have been selected for the university's 2005 Physician Assistant Program and their qualifications. You note that the requestor has clarified that he specifically seeks the applicants' qualifications, transcripts, job experience, volunteer time, professional work time, age, race, and time of their application, but is not interested in their names, social security numbers, or telephone numbers. You claim that the requested information is excepted from disclosure under sections 552.026, 552.101, 552.114, and 552.137 of the Government Code. We have considered the exceptions you claim and reviewed the submitted representative sample of information.¹

¹ We assume that the "representative sample" of records submitted to this office is truly representative of the requested records as a whole. See Open Records Decision Nos. 499 (1988), 497 (1988). This open records letter does not reach, and therefore does not authorize the withholding of, any other requested records to the extent that those records contain substantially different types of information than that submitted to this office.

Section 552.101 excepts from disclosure “information considered to be confidential by law, either constitutional, statutory, or by judicial decision.” Gov’t Code § 552.101. This section encompasses information protected by other statutes. Section 161.032 of the Health and Safety Code provides in part:

(a) The records and proceedings of a medical committee are confidential and are not subject to court subpoena.

...

(c) Records, information, or reports of a medical committee . . . and records, information, or reports provided by a medical committee . . . to the governing body of a public hospital . . . are not subject to disclosure under Chapter 552, Government Code.

Health & Safety Code § 161.032(a), (c). For purposes of this confidentiality provision, a “‘medical committee’ includes any committee, including a joint committee, of . . . a hospital [or] a medical organization” Health & Safety Code § 161.031(a). The term “medical committee” also includes “a committee, including a joint committee, of one or more of the entities listed in Subsection (a).” *Id.* § 161.031(c). Section 161.0315 provides in relevant part that “[t]he governing body of a hospital [or] medical organization . . . may form . . . a medical committee, as defined by section 161.031, to evaluate medical and health care services” Health & Safety Code § 161.0315(a).

The precise scope of the “medical committee” provision has been the subject of a number of judicial decisions. *Memorial Hosp.-The Woodlands v. McCown*, 927 S.W.2d 1 (Tex. 1996); *Barnes v. Whittington*, 751 S.W.2d 493 (Tex. 1988); *Jordan v. Fourth Supreme Judicial Dist.*, 701 S.W.2d 644 (Tex. 1986). These cases establish that “documents generated by the committee in order to conduct open and thorough review” are confidential. This protection extends “to documents that have been prepared by or at the direction of the committee for committee purposes.” *Jordan*, 701 S.W.2d at 647-48. Protection does not extend to documents “gratuitously submitted to a committee” or “created without committee impetus and purpose.” *Id.* at 648; *see also* Open Records Decision No. 591 (1991) (construing, among other things, statutory predecessor to section 161.032).

You state the submitted applications for admission into the Physician Assistant Program were specifically created for or obtained by the university’s admissions committee (the “committee”). You inform us that the committee is composed of the Program Director and faculty of the program who convene each year to review applications, which are submitted through the Central Application Service for Physician Assistants. You further state that the committee is responsible for upholding the university’s mission of educating quality medical professionals, and preparing graduates for providing primary patient services under the appropriate supervision of a licensed physician. Based on your arguments, we find that the

committee is a medical committee for purposes of subchapter D of chapter 161 of the Health and Safety Code. *See* Health & Safety Code § 161.031(c); *see also Humana Hosp. Corp. v. Spears-Petersen*, 867 S.W.2d 858 (Tex. App.—San Antonio 1993, no pet.) (finding that Joint Commission on Accreditation of Healthcare Organizations is medical committee under section 161.031(a)(2)). Accordingly, the requested information is confidential under section 161.032 of the Health and Safety Code and must be withheld under section 552.101 of the Government Code.²

This letter ruling is limited to the particular records at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other records or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For example, governmental bodies are prohibited from asking the attorney general to reconsider this ruling. Gov't Code § 552.301(f). If the governmental body wants to challenge this ruling, the governmental body must appeal by filing suit in Travis County within 30 calendar days. *Id.* § 552.324(b). In order to get the full benefit of such an appeal, the governmental body must file suit within 10 calendar days. *Id.* § 552.353(b)(3), (c). If the governmental body does not appeal this ruling and the governmental body does not comply with it, then both the requestor and the attorney general have the right to file suit against the governmental body to enforce this ruling. *Id.* § 552.321(a).

If this ruling requires the governmental body to release all or part of the requested information, the governmental body is responsible for taking the next step. Based on the statute, the attorney general expects that, upon receiving this ruling, the governmental body will either release the public records promptly pursuant to section 552.221(a) of the Government Code or file a lawsuit challenging this ruling pursuant to section 552.324 of the Government Code. If the governmental body fails to do one of these things, then the requestor should report that failure to the attorney general's Open Government Hotline, toll free, at (877) 673-6839. The requestor may also file a complaint with the district or county attorney. *Id.* § 552.3215(e).

If this ruling requires or permits the governmental body to withhold all or some of the requested information, the requestor can appeal that decision by suing the governmental body. *Id.* § 552.321(a); *Tex. Dep't of Pub. Safety v. Gilbreath*, 842 S.W.2d 408, 411 (Tex. App.—Austin 1992, no writ).

Please remember that under the Act the release of information triggers certain procedures for costs and charges to the requestor. If records are released in compliance with this ruling, be

sure that all charges for the information are at or below the legal amounts. Questions or complaints about over-charging must be directed to Hadassah Schloss at the Texas Building and Procurement Commission at (512) 475-2497.

If the governmental body, the requestor, or any other person has questions or comments about this ruling, they may contact our office. We note that a third party may challenge this ruling by filing suit seeking to withhold information from a requestor. Gov't Code § 552.325. Although there is no statutory deadline for contacting us, the attorney general prefers to receive any comments within 10 calendar days of the date of this ruling.

Sincerely,

Lauren E. Kleine
