

**ATTORNEY GENERAL OF TEXAS**  
**GREG ABBOTT**

July 5, 2005

Mr. Marc Barenblat  
Staff Attorney  
State Board for Educator Certification  
1701 North Congress Avenue, 5<sup>th</sup> Floor  
Austin, Texas 78701

OR2005-05895

Dear Mr. Barenblat:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 227539.

The State Board for Educator Certification (the "board") received a request for all information related to the board's investigation of allegations of violations of standardized testing procedures against a named administrator. You claim that the submitted information is excepted from disclosure under sections 552.101, 552.103, 552.111, and 552.117 of the Government Code. We have considered the exceptions you claim and reviewed the submitted information.

The board asserts that the submitted information constitutes attorney work product. Section 552.111 excepts from disclosure "an interagency or intraagency memorandum or letter that would not be available by law to a party in litigation with the agency." This section encompasses the attorney work product privilege found in Rule 192.5 of the Texas Rules of Civil Procedure. *City of Garland v. Dallas Morning News*, 22 S.W.3d 351, 360 (Tex. 2000); Open Records Decision No. 677 at 4-8 (2002). Rule 192.5 defines work product as

(1) material prepared or mental impressions developed in anticipation of litigation or for trial by or for a party or a party's representatives, including

the party's attorneys, consultants, sureties, indemnitors, insurers, employees, or agents; or

(2) a communication made in anticipation of litigation or for trial between a party and the party's representatives or among a party's representatives, including the party's attorneys, consultants, sureties, indemnitors, insurers, employees or agents.

TEX. R. CIV. P. 192.5(a). A governmental body seeking to withhold information under this exception bears the burden of demonstrating that the information was created or developed for trial or in anticipation of litigation by or for a party or a party's representative. *Id.*; ORD 677 at 6-8. In order for this office to conclude that the information was made or developed in anticipation of litigation, we must be satisfied that 1) a reasonable person would have concluded from the totality of the circumstances surrounding the investigation that there was a substantial chance that litigation would ensue; and 2) the party resisting discovery believed in good faith that there was a substantial chance that litigation would ensue and created or obtained the information for the purpose of preparing for such litigation. *Nat'l Tank Co. v. Brotherton*, 851 S.W.2d 193, 207 (Tex. 1993). A "substantial chance" of litigation does not mean a statistical probability, but rather "that litigation is more than merely an abstract possibility or unwarranted fear." *Id.* at 204; ORD 677 at 7.

If a requestor seeks an attorney's entire litigation file, and a governmental body seeks to withhold the entire file and demonstrates that the file was created in anticipation of litigation, we will presume that the entire file is excepted from disclosure under the attorney work product aspect of section 552.111. Open Records Decision No. 647 at 5 (1996) (citing *Nat'l Union Fire Ins. Co. v Valdez*, 863 S.W.2d 458, 461 (Tex. 1993)) (organization of attorney's litigation file necessarily reflects attorney's thought processes).

You inform us that the board enforces standards of conduct for certified educators in Texas public schools, including enforcement of an educator's code of ethics, under chapter 21 of the Education Code. See Educ. Code §§ 21.031(a), 21.041(b)(8). You further explain that the board litigates enforcement proceedings under the Administrative Procedure Act (the "APA"), chapter 2001 of the Government Code, and rules adopted by the board under subchapter B of chapter 21 of the Education Code. See *Id.* § 21.041(b)(7). You represent to this office that the present request for information encompasses the board's entire case file with regard to the investigation referenced by the requestor. You advise us that the submitted information was created by board attorneys, internal investigators and other board employees in anticipation of litigation. Cf. Open Records Decision No. 588 (1991) (contested case under APA constitutes litigation for purposes of statutory predecessor section 552.103). Lastly, you indicate that the board's file containing information compiled in conducting its investigation comprises its litigation file. Based on your representation that this request for information encompasses the board's entire case file and your demonstration that the submitted information was prepared in anticipation of litigation, we conclude that the board

may withhold the submitted information as attorney work product under section 552.111 of the Government Code. As our ruling on this issue is dispositive, we need not address your remaining arguments.

This letter ruling is limited to the particular records at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other records or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For example, governmental bodies are prohibited from asking the attorney general to reconsider this ruling. Gov't Code § 552.301(f). If the governmental body wants to challenge this ruling, the governmental body must appeal by filing suit in Travis County within 30 calendar days. *Id.* § 552.324(b). In order to get the full benefit of such an appeal, the governmental body must file suit within 10 calendar days. *Id.* § 552.353(b)(3), (c). If the governmental body does not appeal this ruling and the governmental body does not comply with it, then both the requestor and the attorney general have the right to file suit against the governmental body to enforce this ruling. *Id.* § 552.321(a).

If this ruling requires the governmental body to release all or part of the requested information, the governmental body is responsible for taking the next step. Based on the statute, the attorney general expects that, upon receiving this ruling, the governmental body will either release the public records promptly pursuant to section 552.221(a) of the Government Code or file a lawsuit challenging this ruling pursuant to section 552.324 of the Government Code. If the governmental body fails to do one of these things, then the requestor should report that failure to the attorney general's Open Government Hotline, toll free, at (877) 673-6839. The requestor may also file a complaint with the district or county attorney. *Id.* § 552.3215(e).

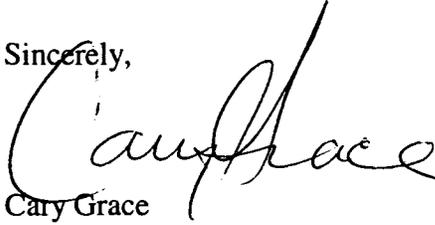

If this ruling requires or permits the governmental body to withhold all or some of the requested information, the requestor can appeal that decision by suing the governmental body. *Id.* § 552.321(a); *Tex. Dep't of Pub. Safety v. Gilbreath*, 842 S.W.2d 408, 411 (Tex. App.—Austin 1992, no writ).

Please remember that under the Act the release of information triggers certain procedures for costs and charges to the requestor. If records are released in compliance with this ruling, be sure that all charges for the information are at or below the legal amounts. Questions or complaints about over-charging must be directed to Hadassah Schloss at the Texas Building and Procurement Commission at (512) 475-2497.

If the governmental body, the requestor, or any other person has questions or comments about this ruling, they may contact our office. We note that a third party may challenge this ruling by filing suit seeking to withhold information from a requestor. Gov't Code

§ 552.325. Although there is no statutory deadline for contacting us, the attorney general prefers to receive any comments within 10 calendar days of the date of this ruling.

Sincerely,

A handwritten signature in black ink, appearing to read "Cary Grace", with a long horizontal flourish extending to the right.
