Re: Request for information regarding report number 05-4584

Dear Mr. Schneider:

The Office of the Attorney General has received your request for a ruling and assigned your request ID# 235609.

After reviewing your arguments and the submitted information, we have determined that your request does not present a novel or complex issue. Thus, we are addressing your claims in a memorandum opinion. You claim that the narrative and tapes may be withheld from the requestor pursuant to section 552.108(a)(1) of the Government Code. We have considered your arguments and the information and have determined that in accordance with section 552.108(a)(1) you may withhold the information. However, you must release some of the narrative because a detailed description of the offense is considered to be basic information.

For more information on the cited exception, as well as information on the rights and obligations of governmental bodies and requestors, please refer to open government information contained on the Office of the Attorney General website at www.oag.state.tx.us.
