Mr. Chris Kloeris
Executive Director
Texas Optometry Board

OR2007-01205

Dear Mr Kloeris:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 270246.

The Texas Optometry Board (the "board") received a request for complaints filed against a named optometrist.¹ You state that you have released some of the responsive information to the requestor. You claim that the submitted information is excepted from disclosure under section 552.101 of the Government Code.² We have considered the exception you claim and reviewed the submitted information.

Section 552.101 of the Government Code excepts from required public disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. This exception encompasses information that

¹We note that the board asked for and received clarification regarding this request. See Gov't Code § 552.222(b) (governmental body may communicate with requestor for purpose of clarifying or narrowing request for information); see also Open Records Decision No. 663 (1999) (discussing tolling of deadlines during period in which governmental body is awaiting clarification).

²We assume that the representative sample of records submitted to this office is truly representative of the requested records as a whole. See Open Records Decision Nos. 499 (1988), 497 (1988). This open records letter does not reach and, therefore, does not authorize the withholding of any other requested records to the extent that those records contain substantially different types of information than that submitted to this office.

another statute makes confidential. You contend that the submitted information is confidential under section 351.2045(a) of the Occupations Code, which provides as follows:

(a) The board's investigation files are confidential, privileged, and not subject to discovery, subpoena, or any other means of legal compulsion for release other than to the board or an employee or agent of the board.

Occ. Code § 351.2045(a). You state that the submitted record is part of an investigative file of the board. Based on your representations and our review of the information at issue, we conclude that the submitted information is confidential under section 351.2045(a) of the Occupations Code. You do not inform us that the board is authorized to release such information to this requestor. *See id.* 351.2045 (b)-(d). Accordingly, the board must withhold the submitted information under section 552.101 in conjunction with section 351.2045(a) of the Occupations Code.

This letter ruling is limited to the particular records at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other records or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For example, governmental bodies are prohibited from asking the attorney general to reconsider this ruling. Gov't Code § 552.301(f). If the governmental body wants to challenge this ruling, the governmental body must appeal by filing suit in Travis County within 30 calendar days. *Id.* § 552.324(b). In order to get the full benefit of such an appeal, the governmental body must file suit within 10 calendar days. *Id.* § 552.353(b)(3), (c). If the governmental body does not appeal this ruling and the governmental body does not comply with it, then both the requestor and the attorney general have the right to file suit against the governmental body to enforce this ruling. *Id.* § 552.321(a).

If this ruling requires the governmental body to release all or part of the requested information, the governmental body is responsible for taking the next step. Based on the statute, the attorney general expects that, upon receiving this ruling, the governmental body will either release the public records promptly pursuant to section 552.221(a) of the Government Code or file a lawsuit challenging this ruling pursuant to section 552.324 of the Government Code. If the governmental body fails to do one of these things, then the requestor should report that failure to the attorney general's Open Government Hotline, toll free, at (877) 673-6839. The requestor may also file a complaint with the district or county attorney. *Id.* § 552.3215(e).

If this ruling requires or permits the governmental body to withhold all or some of the requested information, the requestor can appeal that decision by suing the governmental body. *Id.* § 552.321(a); *Texas Dep't of Pub. Safety v. Gilbreath*, 842 S.W.2d 408, 411 (Tex. App.—Austin 1992, no writ).

Please remember that under the Act the release of information triggers certain procedures for costs and charges to the requestor. If records are released in compliance with this ruling, be sure that all charges for the information are at or below the legal amounts. Questions or complaints about over-charging must be directed to Hadassah Schloss at the Office of the Attorney General at (512) 475-2497.

If the governmental body, the requestor, or any other person has questions or comments about this ruling, they may contact our office. Although there is no statutory deadline for contacting us, the attorney general prefers to receive any comments within 10 calendar days of the date of this ruling.

Sincerely,
