

ATTORNEY GENERAL OF TEXAS
GREG ABBOTT

April 18, 2007

Mr. Steven M. Kean
Deputy City Attorney
City of Tyler
P.O. Box 2039
Tyler, Texas 75710

OR2007-04318

Dear Mr. Kean:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 280093.

The Tyler Police Department (the "department") received a request for a specified police report. You state that some of the requested information has been released to the requestor but claim that the remaining information is excepted from disclosure under sections 552.108, 552.130, and 552.147 of the Government Code. We have considered the exceptions you claim and reviewed the submitted information.

Initially, we note that the submitted information includes the breath test results of an arrestee's blood alcohol content. Full information concerning the analysis of the specimens must be made available upon the request of the person who has given specimens at the request of a peace officer. Transp. Code § 724.018. Here, the requestor is individual who submitted the specimen. Thus, the department must release the breath test results to the requestor.

You assert the remaining information is excepted under section 552.108 of the Government Code. Section 552.108(a)(1) excepts from disclosure "[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime [if] release of the information would interfere with the detection, investigation, or prosecution of crime." A governmental body claiming section 552.108 must reasonably

explain how and why the release of the requested information would interfere with law enforcement. See Gov't Code §§ 552.108(a)(1), (b)(1), 552.301(e)(1)(A); see also *Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977). You state that the submitted information relates to an ongoing criminal investigation. Based on this representation, we conclude that the release of the remaining information would interfere with the detection, investigation, or prosecution of crime. See *Houston Chronicle Publ'g Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist.] 1975), writ ref'd n.r.e., 536 S.W.2d 559 (Tex. 1976) (court delineates law enforcement interests that are present in active cases). Thus, we agree that section 552.108(a)(1) is applicable to the remaining information.

However, section 552.108 does not except from disclosure basic information about an arrested person, an arrest, or a crime. Gov't Code § 552.108(c). Basic information refers to the information held to be public in *Houston Chronicle*. See 531 S.W.2d at 186-87. Thus, with the exception of basic information, which you indicate the department has released, the department may withhold the remaining information under section 552.108(a)(1) of the Government Code. We note that you have discretion to release all or part of the remaining information that is not otherwise confidential by law. Gov't Code §552.007.

To conclude, the department must release the breath test results pursuant to section 724.018 of the Transportation Code. Other than basic information, which must be released, the department may withhold the remaining information pursuant to section 552.108 of the Government Code.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For example, governmental bodies are prohibited from asking the attorney general to reconsider this ruling. Gov't Code § 552.301(f). If the governmental body wants to challenge this ruling, the governmental body must appeal by filing suit in Travis County within 30 calendar days. *Id.* § 552.324(b). In order to get the full benefit of such an appeal, the governmental body must file suit within 10 calendar days. *Id.* § 552.353(b)(3), (c). If the governmental body does not appeal this ruling and the governmental body does not comply with it, then both the requestor and the attorney general have the right to file suit against the governmental body to enforce this ruling. *Id.* § 552.321(a).

If this ruling requires the governmental body to release all or part of the requested information, the governmental body is responsible for taking the next step. Based on the statute, the attorney general expects that, upon receiving this ruling, the governmental body will either release the public records promptly pursuant to section 552.221(a) of the Government Code or file a lawsuit challenging this ruling pursuant to section 552.324 of the Government Code. If the governmental body fails to do one of these things, then the requestor should report that failure to the attorney general's Open Government Hotline, toll free, at (877) 673-6839. The requestor may also file a complaint with the district or county attorney. *Id.* § 552.3215(e).

If this ruling requires or permits the governmental body to withhold all or some of the requested information, the requestor can appeal that decision by suing the governmental body. *Id.* § 552.321(a); *Texas Dep't of Pub. Safety v. Gilbreath*, 842 S.W.2d 408, 411 (Tex. App.—Austin 1992, no writ).

Please remember that under the Act the release of information triggers certain procedures for costs and charges to the requestor. If records are released in compliance with this ruling, be sure that all charges for the information are at or below the legal amounts. Questions or complaints about over-charging must be directed to Hadassah Schloss at the Office of the Attorney General at (512) 475-2497.

If the governmental body, the requestor, or any other person has questions or comments about this ruling, they may contact our office. Although there is no statutory deadline for contacting us, the attorney general prefers to receive any comments within 10 calendar days of the date of this ruling.

Sincerely,

L. Joseph James
Assistant Attorney General
Open Records Division
