Lieutenant William Ryan
Records Division
Pharr Police Department
1900 South Cage
Pharr, Texas 78577-6751

OR2007-06036

Dear Lt. Ryan:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 278601.

The Pharr Police Department (the "department") received a request for information regarding "any officers involved in the arrest of [the requestor's] client."¹ You state you have released some information, but claim that the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted representative sample of information.²

Initially, we note that a portion of the submitted information is governed by the Medical Practice Act (the "MPA"), subtitle B of title 3 of the Occupations Code. Section 159.002 provides in pertinent part:

(b) A record of the identity, diagnosis, evaluation, or treatment of a patient by a physician that is created or maintained by a physician is confidential and privileged and may not be disclosed except as provided by this chapter.

¹ We note that the requestor originally requested information pertaining to a named officer. You state that the department contacted the requestor, who then clarified that he sought information regarding all officers involved in the arrest of his client. *See* Gov't Code § 552.222(b) (stating that if information requested is unclear, governmental body may ask requestor to clarify or narrow request).

² We assume that the representative sample of records submitted to this office is truly representative of the requested records as a whole. *See* Open Records Decision Nos. 499 (1988), 497 (1988). This open records letter does not reach, and therefore does not authorize the withholding of, any other requested records to the extent that those records contain substantially different types of information than that submitted to this office.

(c) A person who receives information from a confidential communication or record as described by this chapter, other than a person listed in Section 159.004 who is acting on the patient's behalf, may not disclose the information except to the extent that disclosure is consistent with the authorized purposes for which the information was first obtained.

Occ. Code § 159.002(b), (c). This office has concluded that the protection afforded by section 159.002 extends only to records created by either a physician or someone under the supervision of a physician. *See* Open Records Decision Nos. 487 (1987), 370 (1983), 343 (1982). Further, information that is subject to the MPA also includes information that was obtained from medical records. *See* Occ. Code. § 159.002(a), (b), (c); *see also* Open Records Decision No. 598 (1991).

Medical records must be released upon the governmental body's receipt of the patient's signed, written consent, provided that the consent specifies (1) the information to be covered by the release, (2) reasons or purposes for the release, and (3) the person to whom the information is to be released. *See* Occ. Code §§ 159.004, .005. Section 159.002(c) also requires that any subsequent release of medical records be consistent with the purposes for which the governmental body obtained the records. *See* Open Records Decision No. 565 at 7 (1990). We have marked a representative sample of the medical records that are subject to the MPA. The department may only disclose these records in accordance with the MPA.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. This section encompasses information deemed confidential by statute, such as section 143.089 of the Local Government Code. You state that the city is a civil service city under chapter 143 of the Local Government Code. Section 143.089 contemplates two different types of personnel files, a police officer's civil service file that the civil service director is required to maintain, and an internal file that the police department may maintain for its own use. Local Gov't Code § 143.089(a), (g). In cases in which a police department investigates a police officer's misconduct and takes disciplinary action against an officer, it is required by section 143.089(a)(2) to place all investigatory records relating to the investigation and disciplinary action, including background documents such as complaints, witness statements, and documents of like nature from individuals who were not in a supervisory capacity, in the police officer's civil service file maintained under section 143.089(a). *Abbott v. City of Corpus Christi*, 109 S.W.3d 113, 122 (Tex. App—Austin 2003, no pet.). All investigatory materials in a case resulting in disciplinary action are "from the employing department" when they are held by or in possession of the department because of its investigation into a police officer's misconduct, and the department must forward them to the civil service commission for placement in the civil service personnel file. *Id.* Chapter 143 prescribes the following types of disciplinary actions: removal, suspension, demotion, and uncompensated duty. *See* Local Gov't Code §§ 143.051-.055. Such records are subject to release under chapter 552 of the Government Code. *See id.* § 143.089(f); Open Records Decision No. 562 at 6 (1990). However, a

document relating to an officer's alleged misconduct may not be placed in his civil service personnel file if there is insufficient evidence to sustain the charge of misconduct. *Id.* § 143.089(b). Information that reasonably relates to an officer's employment relationship with the police department and that is maintained in a police department's internal file pursuant to section 143.089(g) is confidential and must not be released. *City of San Antonio v. San Antonio Express-News*, 47 S.W.3d 556 (Tex. App.—San Antonio 2000, pet. denied); *City of San Antonio v. Texas Attorney General*, 851 S.W.2d 946, 949 (Tex. App.—Austin 1993, writ denied).

You inform us that the submitted documents are maintained in the department's internal file pursuant to section 143.089(g).³ Based on your representations and our review of the documents at issue, we agree that the submitted information is confidential pursuant to section 143.089(g) of the Local Government Code and must be withheld under section 552.101 of the Government Code.

In summary, we have marked a representative sample of the medical records that may only be released in accordance with the MPA. The department must withhold the remaining submitted information under section 552.101 of the Government Code in conjunction with section 143.089(g) of the Government Code.

This letter ruling is limited to the particular records at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other records or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For example, governmental bodies are prohibited from asking the attorney general to reconsider this ruling. Gov't Code § 552.301(f). If the governmental body wants to challenge this ruling, the governmental body must appeal by filing suit in Travis County within 30 calendar days. *Id.* § 552.324(b). In order to get the full benefit of such an appeal, the governmental body must file suit within 10 calendar days. *Id.* § 552.353(b)(3), (c). If the governmental body does not appeal this ruling and the governmental body does not comply with it, then both the requestor and the attorney general have the right to file suit against the governmental body to enforce this ruling. *Id.* § 552.321(a).

If this ruling requires the governmental body to release all or part of the requested information, the governmental body is responsible for taking the next step. Based on the statute, the attorney general expects that, upon receiving this ruling, the governmental body will either release the public records promptly pursuant to section 552.221(a) of the Government Code or file a lawsuit challenging this ruling pursuant to section 552.324 of the Government Code. If the governmental body fails to do one of these things, then the

³Section 143.089(g) requires a police department that receives a request for information maintained in a file under section 143.089(g) to refer that person to the civil service director or the director's designee.

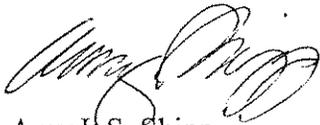

requestor should report that failure to the attorney general's Open Government Hotline, toll free, at (877) 673-6839. The requestor may also file a complaint with the district or county attorney. *Id.* § 552.3215(e).

If this ruling requires or permits the governmental body to withhold all or some of the requested information, the requestor can appeal that decision by suing the governmental body. *Id.* § 552.321(a); *Texas Dep't of Pub. Safety v. Gilbreath*, 842 S.W.2d 408, 411 (Tex. App.—Austin 1992, no writ).

Please remember that under the Act the release of information triggers certain procedures for costs and charges to the requestor. If records are released in compliance with this ruling, be sure that all charges for the information are at or below the legal amounts. Questions or complaints about over-charging must be directed to Hadassah Schloss at the Office of the Attorney General at (512) 475-2497.

If the governmental body, the requestor, or any other person has questions or comments about this ruling, they may contact our office. Although there is no statutory deadline for contacting us, the attorney general prefers to receive any comments within 10 calendar days of the date of this ruling.

Sincerely,

Amy L.S. Shipp
Assistant Attorney General
