You state that the department is providing some of the requested information to the requestor, but claim that some of the submitted information is excepted from disclosure under sections 552.101 and 552.136 of the Government Code. We have considered the exceptions you claim and reviewed the submitted information.

Under this provision, the Texas Department of Transportation or another governmental entity is required to release a copy of an accident report to a person who provides the agency with two or more

pieces of information specified by the statute.<sup>1</sup> *Id.* The requestor has not provided the department with two of the three pieces of information; thus, you must withhold the accident report under section 550.065(b).

Section 552.136(b) states that “[n]otwithstanding any other provision of this chapter, a credit card, debit card, charge card, or access device number that is collected, assembled, or maintained by or for a governmental body is confidential.” We agree that the department must withhold the insurance policy number you have marked under section 552.136.

To conclude, the department must withhold the submitted accident report under section 550.065 of the Transportation Code and the insurance policy number marked under section 552.136 of the Government Code. The department must release the remaining information.
