

ATTORNEY GENERAL OF TEXAS  
GREG ABBOTT

November 12, 2007

Mr. Paul F. Wieneskie  
Attorney at Law  
204 South Mesquite  
Arlington, Texas 76010

OR2007-14854

Dear Mr. Wieneskie:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 294546.

The Euless Police Department (the "department"), which you represent, received a request for two specified incident reports. You state that report number 0700055877 has been released to the requestor. You claim that the remaining information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. Section 552.101 encompasses confidentiality provisions such as section 58.007(c) of the Family Code. The relevant language of section 58.007(c) reads as follows:

(c) Except as provided by Subsection (d), law enforcement records and files concerning a child and information stored, by electronic means or otherwise, concerning the child from which a record or file could be generated may not be disclosed to the public and shall be:

(1) if maintained on paper or microfilm, kept separate from adult files and records;

(2) if maintained electronically in the same computer system as records or files relating to adults, be accessible under controls that are separate and distinct from controls to access electronic data concerning adults; and

(3) maintained on a local basis only and not sent to a central state or federal depository, except as provided by Subchapter B.

Fam. Code § 58.007(c). For purposes of section 58.007, “child” means a person who is ten years of age or older and under seventeen years of age. *See* Fam. Code § 51.02(2). In this instance, although the complainant states that she believes the suspect is sixteen years old, you acknowledge that the department does not have a date of birth for the suspect. Therefore, the department has failed to demonstrate that the submitted information is a juvenile law enforcement record for section 58.007 purposes. Accordingly, the submitted information may not be withheld under section 552.101 on this basis. As you raise no other exceptions against disclosure, the submitted information must be released to the requestor.<sup>1</sup>

This letter ruling is limited to the particular records at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other records or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For example, governmental bodies are prohibited from asking the attorney general to reconsider this ruling. Gov’t Code § 552.301(f). If the governmental body wants to challenge this ruling, the governmental body must appeal by filing suit in Travis County within 30 calendar days. *Id.* § 552.324(b). In order to get the full benefit of such an appeal, the governmental body must file suit within 10 calendar days. *Id.* § 552.353(b)(3), (c). If the governmental body does not appeal this ruling and the governmental body does not comply with it, then both the requestor and the attorney general have the right to file suit against the governmental body to enforce this ruling. *Id.* § 552.321(a).

If this ruling requires the governmental body to release all or part of the requested information, the governmental body is responsible for taking the next step. Based on the statute, the attorney general expects that, upon receiving this ruling, the governmental body

---

<sup>1</sup>We note that the submitted information contains confidential information belonging to the requestor, which is normally excepted from disclosure under section 552.130 of the Government Code. However, the requestor has a special right of access to her own information. *See* Gov’t Code § 552.023(b) (governmental body may not deny access to person to whom information relates on grounds that information is considered confidential by privacy principles). If the department receives a future request for this information from an individual other than the requestor or her agent, the department should again seek our decision.

will either release the public records promptly pursuant to section 552.221(a) of the Government Code or file a lawsuit challenging this ruling pursuant to section 552.324 of the Government Code. If the governmental body fails to do one of these things, then the requestor should report that failure to the attorney general's Open Government Hotline, toll free, at (877) 673-6839. The requestor may also file a complaint with the district or county attorney. *Id.* § 552.3215(e).

If this ruling requires or permits the governmental body to withhold all or some of the requested information, the requestor can appeal that decision by suing the governmental body. *Id.* § 552.321(a); *Texas Dep't of Pub. Safety v. Gilbreath*, 842 S.W.2d 408, 411 (Tex. App.—Austin 1992, no writ).

Please remember that under the Act the release of information triggers certain procedures for costs and charges to the requestor. If records are released in compliance with this ruling, be sure that all charges for the information are at or below the legal amounts. Questions or complaints about over-charging must be directed to Hadassah Schloss at the Office of the Attorney General at (512) 475-2497.

If the governmental body, the requestor, or any other person has questions or comments about this ruling, they may contact our office. Although there is no statutory deadline for contacting us, the attorney general prefers to receive any comments within 10 calendar days of the date of this ruling.

Sincerely,

Loan Hong-Turney  
Assistant Attorney General  
Open Records Division
