Dear Ms. McClellan:

The Office of the Attorney General has received your request for a ruling and assigned your request ID# 308234.

After reviewing your arguments and the submitted information, we have determined that your request does not present a novel or complex issue. Thus, we are addressing your claims in a memorandum opinion. You claim that the submitted information may be withheld from the requestor pursuant to section 552.108(a)(1) of the Government Code. We have considered your arguments and the submitted information and have determined that you must release the basic information pursuant to section 552.108(c) of the Government Code. Because the request is for basic information only, the rest of the submitted information is not responsive, and this decision does not address it.

For more information on the cited exception, as well as information on the rights and obligations of governmental bodies and requestors, please refer to open government information contained on the Office of the Attorney General website at www.oag.state.tx.us.
