Dear Mr. French:

The Office of the Attorney General has received your request for a ruling and assigned your request ID# 308645.

After reviewing your arguments and the submitted information, we have determined that your request does not present a novel or complex issue. Thus, we are addressing your claims in a memorandum opinion. You claim that the submitted information may be withheld from the requestor pursuant to section 552.108(a)(1) of the Government Code. We have considered your arguments and the submitted information and have determined that in accordance with section 552.108(a)(1) you may withhold the requested officer's notes. The ticket is not responsive to the request, and this decision does not address it.
