Dear Ms. Rodriguez:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 313412.

The Donna Independent School District (the "district"), which you represent, received a request for a climate evaluation for Truman Price Elementary School and evaluations of two named teachers. You claim that the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and have reviewed the submitted information. We assume that the district has released any other information that is responsive to this request, to the extent that such information existed when the district received the request. If not, then any such information must be released immediately.<sup>1</sup> See Gov't Code §§ 552.221, .301, .302; Open Records Decision No. 664 (2000).

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. This exception encompasses information that other statutes make confidential. You raise section 552.101 in conjunction with section 21.355 of the Education

---

<sup>1</sup>We note that the Act does not require a governmental body to release information that did not exist when it received a request or create responsive information. See *Econ. Opportunities Dev. Corp. v. Bustamante*, 562 S.W.2d 266 (Tex. Civ. App.—San Antonio 1978, writ dismissed); Open Records Decision Nos. 605 at 2 (1992), 555 at 1 (1990), 452 at 3 (1986), 362 at 2 (1983).

Code, which provides that “[a] document evaluating the performance of a teacher or administrator is confidential.” Educ. Code § 21.355. This office has interpreted section 21.355 to apply to any document that evaluates, as that term is commonly understood, the performance of a teacher or an administrator. *See* Open Records Decision No. 643 (1996). In Open Records Decision No. 643, we determined that for purposes of section 21.355, the word “teacher” means a person who is required to and does in fact hold a teaching certificate under subchapter B of chapter 21 of the Education Code or a school district teaching permit under section 21.055 and who is engaged in the process of teaching, as that term is commonly defined, at the time of the evaluation. *See* ORD 643 at 4. You state, and have provided documentation reflecting, that the submitted information consists of evaluations of two certificated educators. Based on your representations and documentation and our review of the information at issue, we conclude that the district must withhold the submitted information under section 552.101 of the Government Code in conjunction with section 21.355 of the Education Code.

This letter ruling is limited to the particular records at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other records or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For example, governmental bodies are prohibited from asking the attorney general to reconsider this ruling. Gov’t Code § 552.301(f). If the governmental body wants to challenge this ruling, the governmental body must file suit in Travis County within 30 calendar days. *Id.* § 552.324(b). In order to get the full benefit of such a challenge, the governmental body must file suit within 10 calendar days. *Id.* § 552.353(b)(3), (c). If the governmental body does not appeal this ruling and the governmental body does not comply with it, then both the requestor and the attorney general have the right to file suit against the governmental body to enforce this ruling. *Id.* § 552.321(a).

If this ruling requires the governmental body to release all or part of the requested information, the governmental body is responsible for taking the next step. Based on the statute, the attorney general expects that, upon receiving this ruling, the governmental body will either release the public records promptly pursuant to section 552.221(a) of the Government Code or file a lawsuit challenging this ruling pursuant to section 552.324 of the Government Code. If the governmental body fails to do one of these things, then the requestor should report that failure to the attorney general’s Open Government Hotline, toll free, at (877) 673-6839. The requestor may also file a complaint with the district or county attorney. *Id.* § 552.3215(e).

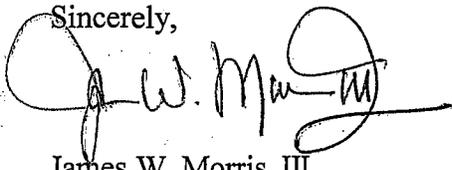

If this ruling requires or permits the governmental body to withhold all or some of the requested information, the requestor can challenge that decision by suing the governmental

body. *Id.* § 552.321(a); *Texas Dep't of Pub. Safety v. Gilbreath*, 842 S.W.2d 408, 411 (Tex. App.—Austin 1992, no writ).

Please remember that under the Act the release of information triggers certain procedures for costs and charges to the requestor. If records are released in compliance with this ruling, be sure that all charges for the information are at or below the legal amounts. Questions or complaints about over-charging must be directed to Hadassah Schloss at the Office of the Attorney General at (512) 475-2497.

If the governmental body, the requestor, or any other person has questions or comments about this ruling, they may contact our office. Although there is no statutory deadline for contacting us, the attorney general prefers to receive any comments within 10 calendar days of the date of this ruling.

Sincerely,

A handwritten signature in black ink, appearing to read "J.W. Morris, III". The signature is fluid and cursive, with a large, stylized initial "J" and "M".
