

ATTORNEY GENERAL OF TEXAS  
GREG ABBOTT

May 8, 2008

Mr. Joe W. Burkett  
Assistant District Attorney  
Henderson County District Attorney's Office  
109 West Corsicana Street, Suite 103  
Athens, Texas 75751

OR2008-06322

Dear Mr. Burkett:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 310153.

The Henderson County District Attorney's Office (the "district attorney") received a request for information regarding a specified incident and a 9-1-1 call regarding the specified incident. You state that the district attorney does not have any information regarding the 9-1-1 call. You claim that the submitted information is excepted from disclosure under sections 552.101 and 552.108 of the Government Code. We have considered the exceptions you claim and reviewed the submitted information.

Initially, we note that the submitted information contains a CRB-3 accident report form that appears to have been completed pursuant to chapter 550 of the Transportation Code. *See* Transp. Code § 550.064 (officer's accident report). Section 550.065(b) states that except as provided by subsection (c), accident reports are privileged and confidential. Section 550.065(c)(4) provides for the release of accident reports to a person who provides two of the following three pieces of information: (1) date of the accident; (2) name of any person involved in the accident; and (3) specific location of the accident. *Id.* § 550.065(c)(4). Under this provision, a governmental entity is required to release a copy of an accident report to a person who provides the agency with two or more pieces of information specified by the statute. *Id.* The requestor has provided the district attorney with the three pieces of

information pursuant to section 550.065(c)(4). Thus, the district attorney must release the accident report in its entirety under this section.

Next, you assert that the remaining submitted information is excepted from disclosure under section 552.108 of the Government Code, which provides in part:

(a) Information held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime is excepted from [required public disclosure] if:

...

(2) it is information that the deals with the detection, investigation, or prosecution of crime only in relation to an investigation that did not result in conviction or deferred adjudication;

...

(b) An internal record or notation of a law enforcement agency or prosecutor that is maintained for internal use in matters relating to law enforcement or prosecution is excepted from [required public disclosure] if:

...

(2) the internal record or notation relates to law enforcement only in relation to an investigation that did not result in conviction or deferred adjudication[.]

Gov't Code § 552.108(a)(2), (b)(2). Subsections 552.108(a)(2) and 552.108(b)(2) protect information that relates to a concluded criminal investigation or prosecution that did not result in conviction or deferred adjudication. *Id.* A governmental body claiming subsection 552.108(a)(2) or subsection 552.108(b)(2) must demonstrate that the requested information relates to a criminal investigation that has concluded in a final result other than a conviction or deferred adjudication. *Id.* In this instance, you state that the submitted information relates to an investigation that has not resulted in a conviction or deferred adjudication. You also inform us that this matter has not been presented to the grand jury. Based on these representations, it does not appear that this matter has concluded. Accordingly, the district attorney has failed to demonstrate the applicability of either subsection 552.108(a)(2) or subsection 552.108(b)(2) to this information. Therefore, the remaining submitted information may not be withheld on that basis.

Next, you assert that the submitted criminal history information is excepted from disclosure under section 552.101 of the Government Code, which excepts from disclosure "information

considered to be confidential by law, either constitutional, statutory, or by judicial decision.” Gov’t Code § 552.101. This section encompasses information protected by other statutes. Criminal history record information (“CHRI”) generated by the National Crime Information Center (“NCIC”) or by the Texas Crime Information Center (“TCIC”) is confidential. Title 28, part 20 of the Code of Federal Regulations governs the release of CHRI that states obtain from the federal government or other states. Open Records Decision No. 565 (1990). The federal regulations allow each state to follow its individual law with respect to CHRI it generates. *Id.* Section 411.083 of the Government Code deems confidential CHRI that the Texas Department of Public Safety (“DPS”) maintains, except that the DPS may disseminate this information as provided in chapter 411, subchapter F of the Government Code. *See* Gov’t Code § 411.083. Sections 411.083(b)(1) and 411.089(a) authorize a criminal justice agency to obtain CHRI; however, a criminal justice agency may not release CHRI except to another criminal justice agency for a criminal justice purpose. *Id.* § 411.089(b)(1). Other entities specified in chapter 411 of the Government Code are entitled to obtain CHRI from DPS or another criminal justice agency; however, those entities may not release CHRI except as provided by chapter 411. *See generally id.* §§ 411.090 - .127. Furthermore, any CHRI obtained from DPS or any other criminal justice agency must be withheld under section 552.101 of the Government Code in conjunction with Government Code chapter 411, subchapter F. Accordingly, the district attorney must withhold the CHRI that we have marked under section 552.101 of the Government Code in conjunction with federal law and chapter 411 of the Government Code.

Next, we note that the submitted information contains Texas motor vehicle information. Section 552.130 of the Government Code provides in relevant part:

(a) Information is excepted from the requirement of Section 552.021 if the information relates to:

- (1) a motor vehicle operator’s or driver’s license or permit issued by an agency of this state; [or]
- (2) a motor vehicle title or registration issued by an agency of this state[.]

Gov’t Code § 552.130. We note, however, that section 552.130 does not apply to out-of-state motor vehicle record information. Accordingly, the district attorney must withhold the Texas motor vehicle information we have marked under section 552.130 of the Government Code.

In summary, the district attorney must withhold 1) the CHRI that we have marked under section 552.101 of the Government Code in conjunction with federal law and chapter 411 of the Government Code, and 2) the Texas motor vehicle information we have marked under

section 552.130 of the Government Code. The remaining information must be released to the requestor.<sup>1</sup>

This letter ruling is limited to the particular records at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other records or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For example, governmental bodies are prohibited from asking the attorney general to reconsider this ruling. Gov't Code § 552.301(f). If the governmental body wants to challenge this ruling, the governmental body must file suit in Travis County within 30 calendar days. *Id.* § 552.324(b). In order to get the full benefit of such a challenge, the governmental body must file suit within 10 calendar days. *Id.* § 552.353(b)(3), (c). If the governmental body does not appeal this ruling and the governmental body does not comply with it, then both the requestor and the attorney general have the right to file suit against the governmental body to enforce this ruling. *Id.* § 552.321(a).

If this ruling requires the governmental body to release all or part of the requested information, the governmental body is responsible for taking the next step. Based on the statute, the attorney general expects that, upon receiving this ruling, the governmental body will either release the public records promptly pursuant to section 552.221(a) of the Government Code or file a lawsuit challenging this ruling pursuant to section 552.324 of the Government Code. If the governmental body fails to do one of these things, then the requestor should report that failure to the attorney general's Open Government Hotline, toll free, at (877) 673-6839. The requestor may also file a complaint with the district or county attorney. *Id.* § 552.3215(e).

If this ruling requires or permits the governmental body to withhold all or some of the requested information, the requestor can challenge that decision by suing the governmental body. *Id.* § 552.321(a); *Texas Dep't of Pub. Safety v. Gilbreath*, 842 S.W.2d 408, 411 (Tex. App.—Austin 1992, no writ).

Please remember that under the Act the release of information triggers certain procedures for costs and charges to the requestor. If records are released in compliance with this ruling, be sure that all charges for the information are at or below the legal amounts. Questions or complaints about over-charging must be directed to Hadassah Schloss at the Office of the Attorney General at (512) 475-2497.

<sup>1</sup>We note that section 552.147(b) of the Government Code authorizes a governmental body to redact a living person's social security number from public release without the necessity of requesting a decision from this office under the Act.

If the governmental body, the requestor, or any other person has questions or comments about this ruling, they may contact our office. Although there is no statutory deadline for contacting us, the attorney general prefers to receive any comments within 10 calendar days of the date of this ruling.

Sincerely,
