Dear Ms. Dudley:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 319142.

The Cleburne Police Department (the "department") received a request for information regarding a specified accident. You state that you are releasing some information to the requestor, but claim that some the requested information is protected from disclosure under section 550.065 of the Transportation Code. We have considered your arguments and reviewed the submitted information.

The submitted information includes a CR-3 accident report form completed pursuant to chapter 550 of the Transportation Code. *See* Transp. Code § 550.064 (Texas Peace Officer's Accident Report form). Section 550.065(b) of the Transportation Code states that, except as provided by subsection (c), accident reports are privileged and confidential. Section 550.065(c)(4) provides for release of accident reports to a person who provides two of the following three pieces of information: (1) date of the accident; (2) name of any person involved in the accident; and (3) specific location of the accident. *Id.* § 550.065(c)(4). Under this provision, the Texas Department of Transportation or another governmental entity is required to release a copy of an accident report to a person who provides the agency with two or more pieces of information specified by the statute.¹ *Id.* In this instance, the

requestor has not provided the department with two of the three requisite pieces of information. Therefore, we agree that the submitted CR-3 report form must be withheld under section 550.065(b) of the Transportation Code.

We note that some of the remaining information is subject to section 552.130 of the Government Code.² Section 552.130 provides that information that "relates to . . . a motor vehicle operator's or driver's license or permit issued by an agency of this state [or] a motor vehicle title or registration issued by an agency of this state." Gov't Code § 552.130. In accordance with section 552.130 of the Government Code, the department must withhold the yellow-highlighted information and the Texas motor vehicle record information that we have marked.

In summary, the department must withhold the submitted accident report form pursuant to section 550.065(b) of the Government Code. The department must also withhold the marked Texas motor vehicle record information pursuant to section 552.130 of the Government Code. The remaining information must be released to the requestor.³

This letter ruling is limited to the particular records at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other records or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For example, governmental bodies are prohibited from asking the attorney general to reconsider this ruling. Gov't Code § 552.301(f). If the governmental body wants to challenge this ruling, the governmental body must file suit in Travis County within 30 calendar days. *Id.* § 552.324(b). In order to get the full benefit of such a challenge, the governmental body must file suit within 10 calendar days. *Id.* § 552.353(b)(3). If the governmental body does not file suit over this ruling and the governmental body does not comply with it, then both the requestor and the attorney general have the right to file suit against the governmental body to enforce this ruling. *Id.* § 552.321(a).

If this ruling requires the governmental body to release all or part of the requested information, the governmental body is responsible for taking the next step.
