Assistant City Attorney
City of San Antonio

OR2008-14311

Dear Mr. Weir:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 325540.

The City of San Antonio (the "city") received a request for a specified report. You claim that the requested information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. Section 552.101 encompasses information made confidential by other statutes, such as section 58.007 of the Family Code, which makes confidential juvenile law enforcement records relating to delinquent conduct that occurred on or after September 1, 1997. The relevant language of section 58.007 reads:

(c) Except as provided by Subsection (d), law enforcement records and files concerning a child and information stored, by electronic means or otherwise, concerning the child from which a record or file could be generated may not be disclosed to the public and shall be:

- (1) if maintained on paper or microfilm, kept separate from adult files and records;
- (2) if maintained electronically in the same computer system as records or files relating to adults, be accessible under controls that are

separate and distinct from controls to access electronic data concerning adults; and

(3) maintained on a local basis only and not sent to a central state or federal depository, except as provided by Subchapter B.

...

(e) Law enforcement records and files concerning a child may be inspected or copied by a juvenile justice agency as that term is defined by Section 58.101, a criminal justice agency as that term is defined by Section 411.082, Government Code, the child, and the child's parent or guardian.

...

(j) Before a child or a child's parent or guardian may inspect or copy a record or file concerning the child under Subsection (e), the custodian of the record or file shall redact:

(1) any personally identifiable information about a juvenile suspect, offender, victim, or witness who is not the child; and

(2) any information that is excepted from required disclosure under Chapter 552, Government Code, or other law.

Fam. Code § 58.007(c), (e), (j). For purposes of section 58.007, "child" means a person who is ten years of age or older and under seventeen years of age at the time of the reported conduct. *See id.* § 51.02(2). The submitted report involves a sixteen year old committing an assault and subsequently being arrested. Thus, we find this report is a juvenile law enforcement record for the purposes of section 58.007. However, the requestor is a parent of the juvenile suspect. Therefore, the city may not withhold the report from the requestor under section 58.007(c). *See id.* § 58.007(e). As you have raised no other exceptions to disclosure, the submitted report must be released to the requestor.

This letter ruling is limited to the particular records at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other records or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For example, governmental bodies are prohibited from asking the attorney general to reconsider this ruling. Gov't Code § 552.301(f). If the governmental body wants to challenge this ruling, the governmental body must file suit in

Travis County within 30 calendar days. *Id.* § 552.324(b). In order to get the full benefit of such a challenge, the governmental body must file suit within 10 calendar days. *Id.* § 552.353(b)(3). If the governmental body does not file suit over this ruling and the governmental body does not comply with it, then both the requestor and the attorney general have the right to file suit against the governmental body to enforce this ruling. *Id.* § 552.321(a).

If this ruling requires the governmental body to release all or part of the requested information, the governmental body is responsible for taking the next step. Based on the statute, the attorney general expects that, upon receiving this ruling, the governmental body will either release the public records promptly pursuant to section 552.221(a) of the Government Code or file a lawsuit challenging this ruling pursuant to section 552.324 of the Government Code. If the governmental body fails to do one of these things, then the requestor should report that failure to the attorney general's Open Government Hotline, toll free, at (877) 673-6839. The requestor may also file a complaint with the district or county attorney. *Id.* § 552.3215(e).

If this ruling requires or permits the governmental body to withhold all or some of the requested information, the requestor can challenge that decision by suing the governmental body. *Id.* § 552.321(a); *Texas Dep't of Pub. Safety v. Gilbreath*, 842 S.W.2d 408, 411 (Tex. App.—Austin 1992, no writ).

Please remember that under the Act the release of information triggers certain procedures for costs and charges to the requestor. If records are released in compliance with this ruling, be sure that all charges for the information are at or below the legal amounts. Questions or complaints about over-charging must be directed to Hadassah Schloss at the Office of the Attorney General at (512) 475-2497.

If the governmental body, the requestor, or any other person has questions or comments about this ruling, they may contact our office. Although there is no statutory deadline for contacting us, the attorney general prefers to receive any comments within 10 calendar days of the date of this ruling.

Sincerely,

Olivia A. Maceo
