Ms. T. Trisha Dang  
Assistant City Attorney  
City of Corpus Christi  
P.O. Box 9277

OR2008-17340

Dear Ms. Dang:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 330649.

The Corpus Christi Police Department (the "department") received a request for three specified reports. You claim that the requested information is excepted from disclosure under section 552.108 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

The submitted information contains a CRB-3 accident report form that was completed pursuant to chapter 550 of the Transportation Code. *See* Transp. Code § 550.064 (officer's accident report). Section 550.065(b) states that except as provided by subsection (c), accident reports are privileged and confidential. Section 550.065(c)(4) provides for the release of accident reports to a person who provides two of the following three pieces of information: (1) date of the accident; (2) name of any person involved in the accident; and (3) specific location of the accident. *Id.* § 550.065(c)(4). Under this provision, the Texas Department of Transportation or another governmental entity is required to release a copy of an accident report to a person who provides the agency with two or more pieces of information specified by the statute.<sup>1</sup> *Id.* The requestor has not provided the department

with two of the three pieces of information; thus, the department must withhold the accident report under section 550.065(b).

The department asserts that the remaining information is excepted under section 552.108 of the Government Code. Section 552.108(a)(2) excepts from disclosure information concerning an investigation that concluded in a result other than conviction or deferred adjudication. A governmental body claiming section 552.108(a)(2) must demonstrate that the requested information relates to a criminal investigation that has concluded in a final result other than a conviction or deferred adjudication. You state that the remaining information pertains to a case that concluded in a result other than conviction or deferred adjudication. Therefore, we agree that section 552.108(a)(2) is applicable to this information.

However, section 552.108 does not except from disclosure basic information about an arrested person, an arrest, or a crime. Gov't Code § 552.108(c). Basic information refers to the information held to be public in *Houston Chronicle Publishing Co. v. City of Houston*, 531 S.W.2d 177 (Tex. App.—Houston [14th Dist.] 1975), *writ ref'd n.r.e.*, 536 S.W.2d 559 (Tex. 1976). Thus, with the exception of the basic front-page offense and arrest information, the department may withhold the remaining information under section 552.108(a)(2).

To conclude, the department must withhold the submitted CRB-3 report pursuant to section 550.065 of the Transportation Code. With the exception of basic information, the department may withhold the remaining information under section 552.108 of the Government Code.

This letter ruling is limited to the particular records at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other records or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For example, governmental bodies are prohibited from asking the attorney general to reconsider this ruling. Gov't Code § 552.301(f). If the governmental body wants to challenge this ruling, the governmental body must file suit in Travis County within 30 calendar days. *Id.* § 552.324(b). In order to get the full benefit of such a challenge, the governmental body must file suit within 10 calendar days. *Id.* § 552.353(b)(3). If the governmental body does not file suit over this ruling and the governmental body does not comply with it, then both the requestor and the attorney general have the right to file suit against the governmental body to enforce this ruling. *Id.* § 552.321(a).

If this ruling requires the governmental body to release all or part of the requested information, the governmental body is responsible for taking the next step. Based on the statute, the attorney general expects that, upon receiving this ruling, the governmental body
