First Assistant City Attorney

OR2009-01418

Dear Ms. Powell:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 334274.

The College Station Police Department (the "department") received a request for all information related to a specified incident. You state you have released some of the information to the requestor. You claim the submitted information is excepted from disclosure under section 552.108 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.108(a)(2) of the Government Code excepts from disclosure "[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime ... if it is information that deals with the detection, investigation, or prosecution of crime only in relation to an investigation that did not result in conviction or deferred adjudication[.]" Gov't Code § 552.108(a)(2). Section 552.108(a)(2) is applicable only if the information at issue relates to a concluded criminal case that did not result in a conviction or a deferred adjudication. A governmental body that claims an exception to disclosure under section 552.108 must reasonably explain how and why this exception is applicable to the information that the governmental body seeks to withhold. *See id.* § 552.301(e)(1)(A); *Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977). You inform us that the submitted information is related to a closed criminal investigation that did not result in conviction or deferred adjudication. Based on your representation and our review of the

submitted information, we conclude that section 552.108(a)(2) is applicable to the submitted information.

We note that section 552.108 does not except from disclosure basic information about an arrested person, an arrest, or a crime. Gov't Code § 552.108(c). Basic information refers to the information held to be public in *Houston Chronicle Publ'g Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist.] 1975), *writ ref'd n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976). See Open Records Decision No. 127 (1976) (summarizing types of information considered to be basic information). We note that you seek to withhold the entire narrative portion of the submitted police report under section 552.108. Accordingly, we determine that the department must release a sufficient portion of the narrative section of the submitted police report to encompass a detailed description of the offense to satisfy the required release of basic information pursuant to *Houston Chronicle*. The department may withhold the remaining submitted information under section 552.108(a)(2) of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at http://www.oag.state.tx.us/open/index_orl.php, or call the Office of the Attorney General's Open Government Hotline, toll free, at (877) 673-6839. Questions concerning the allowable charges for providing public information under the Act must be directed to the Cost Rules Administrator of the Office of the Attorney General at (512) 475-2497.

Sincerely,

Chris Schulz
Assistant Attorney General
