

ATTORNEY GENERAL OF TEXAS

February 12, 2009

Mr. Ronald J. Bounds
Assistant City Attorney
City of Corpus Christi
P.O. Box 9277
Corpus Christi, Texas 78469-9277

OR2009-01893

Dear Mr. Bounds:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 334813.

The City of Corpus Christi (the "city") received a request for Emergency Medical Services ("EMS") records and an itemized bill pertaining to a particular individual. You claim the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.101 excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. This section encompasses information protected by other statutes, such as section 773.091 of the Health and Safety Code, which provides in part:

(b) Records of the identity, evaluation, or treatment of a patient by emergency medical services personnel or by a physician providing medical supervision that are created by the emergency medical services personnel or physician or maintained by an emergency medical services provider are confidential and privileged and may not be disclosed except as provided by this chapter.

...

(g) The privilege of confidentiality under this section does not extend to information regarding the presence, nature of injury or illness, age, sex, occupation, and city of residence of a patient who is receiving emergency medical services.

Health & Safety Code § 773.091(b), (g). Thus, except for the information specified in section 773.091(g), EMS records are deemed confidential under section 773.091 and, therefore, may only be released in accordance with chapter 773 of the Health and Safety Code. *See id.* §§ 773.091-.094. Upon review, we agree the submitted information is subject to chapter 773 of the Health and Safety Code.

We note and you acknowledge records confidential under section 773.091 may be disclosed to “any person who bears a written consent of the patient or other persons authorized to act on the patient’s behalf for the release of confidential information.” *Id.* §§ 773.092(e)(4), .093. Section 773.093 provides a consent for release of EMS records must specify (1) the information or records to be covered by the release; (2) the reasons or purpose for the release; and (3) the person to whom the information is to be released. You assert the requestor has not “submitted adequate proof that she bears the written consent of the [authorized representative] that specifies [the requirements of section 773.093].” Thus, the city must withhold the submitted EMS records under section 552.101 of the Government Code in conjunction with section 773.091 of the Health and Safety Code. However, the city must release information specified by section 773.091(g) from the submitted records. Furthermore, the city must release the submitted records upon receipt of a proper consent under section 773.093(a). *See id.* §§ 773.092, .093.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. Yen-Ha Le
