

ATTORNEY GENERAL OF TEXAS
GREG ABBOTT

February 17, 2009

Ms. Angela M. Deluca
Assistant City Attorney
City of Bryan
P.O. Box 1000
Bryan, Texas 77805

OR2009-02055

Dear Ms. Deluca:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 339426.

The Bryan Police Department (the "department") received a request for fourteen categories of information regarding a named police officer. You state that the department is in the process of releasing a portion of the requested information, but claim that the remaining information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted representative sample of information.¹

Section 552.101 excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. This section

¹We assume that the "representative sample" of records submitted to this office is truly representative of the requested records as a whole. *See* Open Records Decision Nos. 499 (1988), 497 (1988). This open records letter does not reach, and therefore does not authorize the withholding of, any other requested records to the extent that those records contain substantially different types of information than that submitted to this office.

encompasses information protected by other statutes, including section 143.089 of the Local Government Code. The City of Bryan is a civil service city under chapter 143 of the Local Government Code. Section 143.089 contemplates two different types of personnel files, a police officer's civil service file that a city's civil service director is required to maintain, and an internal file that the police department may maintain for its own use. *See* Local Gov't Code § 143.089(a), (g).

In cases in which a police department investigates a police officer's misconduct and takes disciplinary action against an officer, it is required by section 143.089(a)(2) to place all investigatory records relating to the investigation and disciplinary action, including background documents such as complaints, witness statements, and documents of like nature from individuals who were not in a supervisory capacity, in the police officer's civil service file maintained under section 143.089(a). *See Abbott v. City of Corpus Christi*, 109 S.W.3d 113, 122 (Tex. App.—Austin 2003, no pet.). All investigatory materials in a case resulting in disciplinary action are "from the employing department" when they are held by or in possession of the department because of its investigation into a police officer's misconduct, and the department must forward them to the civil service commission for placement in the civil service personnel file. *Id.* Such records are subject to release under chapter 552 of the Government Code. *See id.* § 143.089(f); Open Records Decision No. 562 at 6 (1990).

However, a document relating to a police officer's alleged misconduct may not be placed in his civil service personnel file if there is insufficient evidence to sustain the charge of misconduct. *See* Local Gov't Code § 143.089(b). Information that reasonably relates to a police officer's employment relationship with the police department and that is maintained in a police department's internal file pursuant to section 143.089(g) is confidential and must not be released. *See City of San Antonio v. San Antonio Express-News*, 47 S.W.3d 556 (Tex. App.—San Antonio 2000, pet. denied); *City of San Antonio v. Tex. Attorney General*, 851 S.W.2d 946, 949 (Tex. App.—Austin 1993, writ denied).

You inform us that the information at issue is maintained in the department's internal personnel files concerning this officer. Based on your representations and our review of the records at issue, we agree that this information is confidential pursuant to section 143.089(g) of the Local Government Code and must be withheld under section 552.101 of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
