Dear Ms. Sandoval-Walker:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 336046.

The El Paso Police Department (the "department") received a request for a specified incident report. You claim that the requested information is excepted from disclosure under sections 552.101 and 552.108 of the Government Code. We have considered the exceptions you claim and reviewed the submitted information.

Section 552.101 excepts from public disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. This section encompasses information protected by other statutes, such as section 261.201(a) of the Family Code, which provides:

(a) The following information is confidential, is not subject to public release under Chapter 552, Government Code, and may be disclosed only for purposes consistent with this code and applicable federal or state law or under rules adopted by an investigating agency:

(1) a report of alleged or suspected abuse or neglect made under this chapter and the identity of the person making the report; and

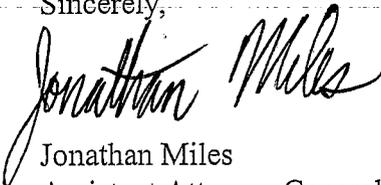

(2) except as otherwise provided in this section, the files, reports, records, communications, audiotapes, videotapes, and working papers used or developed in an investigation under this chapter or in providing services as a result of an investigation.

Fam. Code § 261.201(a). You state the submitted incident report was developed and used by the department in an investigation of alleged or suspected child abuse. *See id.* §§ 261.001(1) (defining “abuse” for the purposes of chapter 261 of the Family Code); *see also id.* § 101.003(a) (defining “child” for purposes of this section as person under 18 years of age who is not and has not been married or who has not had the disabilities of minority removed for general purposes). Based on your representations and our review, we find this report is within the scope of section 261.201 of the Family Code. You state the department has not adopted a rule that governs the release of this type of information. Accordingly, the department must withhold the submitted incident report under section 552.101 of the Government Code in conjunction with section 261.201 of the Family Code.<sup>1</sup> *See* Open Records Decision No. 440 at 2 (1986) (predecessor statute).
